Urban County Council

**FROM:** Jim Duncan, Director  
Division of Planning

**DATE:** January 15, 2021

**SUBJECT:** Services Agreement with Remix for Shared Mobility Data Management

---

**Request:** Council authorization to execute a Services Agreement with Remix to provide data management services as a part of the Shared Mobility Program. This agreement is for one year of data management services for a one-time payment of \$2,500 funded by the shared mobility vehicle licensing fees.

**Purpose:** Remix will provide real-time data to the Urban County Government about the use of shared mobility vehicles so the Government can determine where, when, and how they are being used and determine licensed companies compliance with the rebalancing, equity and distribution requirements of the ordinance. This is a one-year service agreement funded by the licensing fees for shared mobility vehicles.
