Re: Lifting of Sewer Sanction for
Blue Sky Sewer Service KPDES #KY0027286
Fayette County, Kentucky
AI ID: 1023; ESN20000001

Dear Mr. Martin:

The Division of Water has lifted the sewer sanction imposed on the Blue Sky Sewer Service effective October 21, 2014.

The Blue Sky wastewater treatment plant (WWTP) has been replaced by a pump station that transports wastewater to the West Hickman WWTP, and the KPDES permit associated with the Blue Sky Sewer Service has been inactivated.

Note that this letter does not address construction approval as may be required by 401 KAR 5:005. However, it is no longer necessary to request a sewer sanction exemption prior to construction approval. By copy of this letter the Division of Plumbing is notified that this sanction has been removed.

If you have any questions, please contact me at (606) 929-5285.

Sincerely,

A handwritten signature in black ink that reads "Anshu Singh".
