Laws and Regulations

All applicable state laws, ordinances and resolutions (including but not limited to Section 2-33 (Discrimination due to sexual orientation or gender identity) and Chapter 13 (Licenses and Regulations) of the Lexington-Fayette Urban County Government Code of Ordinances, and Resolution No. 484-17 (Minority, Women, and Veteran-Owned Businesses)) and the regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;

(2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;

(3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and

(4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available workforce in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Therefore, by the signature below of an authorized company representative, you certify that the information below is understood, agreed, and correct. Any misrepresentations may result in the termination of the contract and/or prosecution under applicable Federal and State laws concerning false statements and false claims.

The bidder agrees and understands that in addition to all conditions stated within the attached bid documents, the following conditions will also apply to any Agreement entered between bidder and LFUCG, if LFUCG classifies the subject matter of this bid as an expenditure under the American Rescue Plan Act. The bidder further certifies that it can and will comply with these conditions, if this bid is accepted and an Agreement is executed:

If the parties do not reach a settlement before the end of the 45 days, then the Agreement shall terminate on the forty-fifth day.

- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering

This includes, but is not limited to, timesheets for staff; bids, quotes, invoices and receipts for purchases; copies of any contracts for services; and additional information as required by LFUCG for compliance with federal regulations.

Operational Investments – Security Upgrade - Sonitrol

Section 1: Directly Provide or Indirectly Facilitate the Provision of Services to Low income, Underserved, or Marginalized Lexington-Fayette County Residents

For 45+ years, The Nest has delivered high-quality, evidence-based services focused on four free programs:

- early childhood education
- parenting education
- family assistance for basic human needs
- comprehensive services for intimate partner violence survivors

The Nest is in good standing with KY State Treasury and has a Gold Seal of Transparency on GuideStar. Our services are provided at no cost for all individuals and families in crisis, facing adversity, or those who have unexpected needs. The Nest, located in Duncan Park in the 40508-zip code, serves a population that is racially diverse, younger, majority single with an income far less than the median household income. Over 85% of the families that receive services from our four programs reside in Fayette County.

The Nest is unique in that we offer holistic care to our clients through our four programs; through a client needs assessment, our programs coordinate assisting that person as they work toward self-sufficiency. Our purpose is to Embrace, Encourage, and Empower without bias. Together, we transform lives through education, counseling, advocacy, and support, reaching thousands of individuals, parents, children, and

survivors each year. Below is a description of our four programs offered at no cost to families in need.

Child Care

We offer high-quality short-term, long-term, and drop-in childcare for those who are financially unable to secure care or have no other reliable support system. In addition, we provide a nurturing space for the physical, emotional, and developmental growth of children ages five and under – the only licensed, free drop-in center in the area.

Intimate Partner Violence

We provide individual counseling, educational support groups, safety planning, advocacy, and legal representation for intimate partner violence survivors. Our trained staff members are empathetic, empowering, and dedicated to helping survivors get the critical resources they need to move forward. In addition, our services foster connections between survivors that strengthen relationships and self-confidence.

Family Assistance

From diapers and car seats to clothing and toiletries, we assist with the basic human needs of those in crisis, facing adversity, or with unexpected needs. We also offer information and identify potential resources, meeting current needs to confidently empower individuals and families to move forward in their lives.

Parenting

We provide parents and caregivers with knowledge, skills, and support for healthy

parenting. We offer skills assessments, evidenced-based classes, and support groups focused on nurturing parenting and nonviolent discipline. Interacting with other caregivers is a powerful way to improve parenting habits and overcome social isolation. As a result, our parents and caregivers strengthen each other, their families, and the community.

Section 2: Demonstrated Need

Our organization is at risk of experiencing a catastrophic incident due to a lack of safety and security protections. Hundreds of the most vulnerable adults and children visit the center every month. Frequently they are survivors of crimes such as child abuse, intimate partner violence, sexual violence, stalking, and assault. The Nest serves over 1,200 intimate partner violence (IPV) survivors every year. IPV survivors face multiple serious stressors, including potential fatality risks. Our IPV services include on-site counseling, safety planning, legal consultation, childcare, and tangible family assistance resources. In addition, the Fayette County Circuit Clerk requested that The Nest be a public site for petitioners to file for protection. We are honored to provide this service to the community, but it brings additional risks to our organization and the families receiving services. The Center for Relationship Abuse Awareness states that the most dangerous time for survivors is when they leave the abusive partner; 75% of IPV-related homicides occur upon separation, and there is a 75% increase in violence upon separation for at least two years. From 2018 to 2021, there were 5 IPV fatalities in Fayette County. Thus far, in 2022, there have been 8 IPV homicides in Fayette County. These numbers alone indicate the need for increased protection and support for organizations protecting and supporting this vulnerable group. Additionally, we are in a

public park where we observe people openly carrying firearms. This year there have been 52 shootings and 17-gun related homicides in our community. These facts raise our concerns about the safety of the families' receiving services from our organization.

Currently, you can enter our building through a secure password protected door. Unfortunately, once the door is open, several individuals have access to enter the building, which is not secured until the door closes. In addition, clients inside the building can open the door to friends and family visiting The Nest. These examples leave us vulnerable, which is why we must upgrade our security system to ensure the safety of our staff and the families that utilize our services.

Our trained staff responds to the critical needs of our families' ensuring optimal outcomes. The emergency response includes assisting our families with medical conditions, threats of harm, and severe mental health disturbances. By improving our security inside and outside of the building, we decrease the potential for a catastrophic event and secure the safety of our community.

Section 3: Applicant Capacity for Project and Meeting ARPA Requirements

The Nest is prepared to meet the guidelines and carry out the proposal requirements. The Nest has received ARPA, federal and city funding and is in good standing with all our grantors. The Nest also receives an annual reimbursement grant from the Kentucky Colonels and has always completed the necessary purchases and reporting on time. Bates Security is aware that funding for this project is subject to Federal guidelines and additional requirements or restrictions. They agree to work

within these guidelines and meet any additional requirements required within the scope of the project.

Section 4: Operational Feasibility

If funding is secured Bates will begin the security upgrades in early 2023 and will have them completed within two months of the start date.

Funding from the Nonprofit Capital Grants Program will cover the one-time fees for these upgrades and no additional funding will be required. The upgraded security system will provide a safe environment for families in need for years to come.

The Executive Director and Program Director's will oversee the progress of the project, ensuring timelines are met and all reporting related to the grant funding. No additional staff will be necessary to execute the project and meet the requirements of this grant project.

Section 5: Cost Analysis – and attachments

The Nest is requesting \$54,306 in funding to provide pivotal upgrades to our security system. The new security system will include bulletproof film on all glass entryways, upgraded video surveillance, access controlled entrance with video intercom, ability for center lockdown and monitoring by a local service that is available 24 hours a day, 365 days a year. Bates Security is the largest locally owned security company in Lexington. They are an accredited business that is a trusted source for all your security needs. Bates provides custom designed security systems, written guarantees, and live local customer services. Bates understands that the needs of non-

profits are unique. They have worked closely with us to identify our weaknesses and find the most cost-efficient ways to meet our needs, ensuring the safety of everyone at The Nest.

The Nest utilizes Bates Security for the current monitoring. Through their history of working with us they understand our organization's mission and needs. If needed The Nest will get additional bids to ensure we are getting the most cost-efficient services available. A line-item budget is attached.
