SUBJECT: Amendment to Legistar file # 0547-19

The Lexington Division of Fire and Emergency Services is requesting Council authorization to amend the resolution of Legistar file # 0547-19, raising the “not to exceed” cap to \$600,000.00.

Why are you requesting. Current base pricing is \$179,000.00 per unit. Increasing the cap will allow for the remount of 3 EC units with a built in contingency based on historic price increases of the freight liner M2 cab and chassis.

The department needs this action completed in order to be able to purchase the remounts for the ambulances that need them.

Director/Commissioner: Chilton/Armstrong
