Description

Please replace and relocate the wall mounted lavatory sink in Companion Restroom 231, as required by the building inspector. Install sink per manufacturer's recommendations, and reconnect new sink to an existing plumbing. Make the necessary adjustments to plumbing routing within the wall to achieve a neat and finished appearance and full functionality. Replace drywall where selective demolition is required, and repair to match. Avoid damage to, and as possible, re-approach to, chairs, accessibility, and finishes. All repairs to comply with current code requirements and standards.

and soap dispenser in accordance with the attached sketch.

The sink model referenced in the attached cut sheet is available at Ferguson Enterprises; if ordered today, it can be ready by noon tomorrow. Brock McVey has been contacted as well regarding the sink model, but no response has been received at this time.

Work shall be performed as soon as possible so that final inspections can be made prior to September 6.

Thanks,

Harding
