Re: Memorandum of Understanding- Southland Christian Church, Inc.

Council approval is requested to authorize the Mayor, on behalf of the Lexington Fayette Urban County Government, to execute a Memorandum of Understanding with Southland Christian Church, Lexington, to use a portion of the church property which is currently open for public access to the church property, for access during construction of the Senior Citizen's Center at Idle Hour Park. Also under this Memorandum of Understanding, the Lexington-Fayette Urban County Government will use another portion of the church property, contiguous to the above-mentioned public access area for parking during construction of the Senior Citizen's Center.

There is not a budgetary impact with this request.
