- Collection of organizational data
- Analysis and reporting

New client incentive- \$2600  
Four months support at  
no cost to FCC \$14,300

- Meet with administrators to review strengths and needs prior to training development
- Customized training development
  - Training will be customized based on the specific needs of the agency

- **2-day training (8+ hour days)**

- **Implementation Support**

- During the first week post-training
  - 6-8 hours on-site post-training observations
  - 2 days (6-8 hours) modeling and implementation support
- During weeks 2-4:
  - 1 day (6-8 hours) modeling and implementation support weekly
- Ongoing monthly support for remaining 11 months
  - Half-day (x2) implementation support
    - Suggested format is one morning every second week and one afternoon every fourth week.
  - On-site meeting with administration (1-2 hours)

## Additional Information

- **Organizational Assessment to begin June 6**

- GHI will begin gathering organizational data in order to create an individualized training plan that specifically meets the needs of FCC.
- To ensure alignment with FCC values and goals, we will review results with FCC administrators during the week of June 27, prior to developing customized training.
- Two-day training will tentatively take place during the last week of July.

- **Financial Arrangements**

- The initial \$9750 is payable to Gilbert-Hurt International before organizational assessment begins.
- The remaining \$4550 is due 30 days after two-day training takes place.
