1<sup>st</sup> District Councilmember Tayna Fogle  
Lexington-Fayette Urban County Government  
200 E. Main Street  
Lexington, KY 40507

Dear Councilmember Fogle,

As you know, United Way of the Bluegrass (UWBG) has embarked on a project to renovate the historic Palmer pharmacy building and use it as UWBG's newest Waypoint Center for the East End community. We are excited about the many opportunities that having this building will offer the residents of Lexington and our ability to serve the needs of the community.

Although building ordinances do not require an elevator for a building of this size and age, we felt it important to ensure that our building was fully accessible to all people, regardless of their level of ability and mobility. COVID-19 caused a major disruption to the supply and demand of many items, and elevators and elevator parts were no exception. Not only have the parts been harder to obtain, but the costs were almost double what was expected, projected and budgeted for in this renovation project. Nevertheless, we were committed to completing this project even at the cost of utilizing our organization's line of credit to fulfill this task.

We are asking for the 1<sup>st</sup> District to help us bridge this unexpected burden of expense by allocating an additional \$40,500 of funding to help bridge the shortfall we have encountered for the elevator.

If you have any additional questions, please feel free to contact me at [timothy.johnson@uwbg.org](mailto:timothy.johnson@uwbg.org) or call 859.967.1921. Thank you in advance for your consideration of this request and for your ongoing leadership and partnership in serving our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy Johnson", with a long horizontal flourish extending to the right.
