

JUSTIFICATION FOR SOLE SOURCE CERTIFICATION

Sole Source Purchases are defined clearly, based upon a legitimate need, and are limited to a single supplier. Sole source purchases are normally not allowed except when based upon strong technological grounds such as operational compatibility with existing equipment and related parts or upon a clearly unique and/or cost effective feature requirement. The use of sole source purchases must be justified and shall be limited only to those specific instances in which compatibility or technical performance needs are being satisfied.

Sole Source Services are defined as a service provider providing technical expertise of such a unique nature that the service provider is clearly and justifiably the only practicable source available to provide the service. The justification shall be based on the uniqueness of the service, sole availability at the location required, or warranty or defect correction service obligations of the service provider.

This form must be filled out for the request to purchase any good or non-professional service that requires a competitive procurement process (informal quotes (\$1001-\$10,000), formal quotes (\$10,001 - \$19,999.99), or formal bid (\$20,000 or more) as defined in the LFUCG's Purchasing Manual. This form must be completed in its entirety and attached to the purchase requisition.

Note: Sole Source Purchase requests for goods exceeding \$20,000 will require approval by the Urban County Council by submitting an Administrative Review Form. A copy of this form must be signed off by Central Purchasing and attached to the Administrative Review Form.

Requesting Division

Name David Filiatreau Division/Dept Traffic Engineering/PW

Phone 859-258-3495 Email dfiliatreau@lexingtonky.gov

Type of Purchase: Goods/Materials/Equipment Services

Cost: \$38,000

Sole Source Request for the Purchase of: Video Distribution System Maintenance

Maintenance of Traffic Engineering's Video Distribution System and Websites

One Time Purchase To Establish Sole Source Provider Contract
(subject to annual review and approval by Central Purchasing and/or Urban County Council)

Vendor Information

Business Name Gresham, Smith and Partners

Contact Name Mike Sewell

Address 101 South Fifth Street, Suite 1400

Phone 502-627-8941 Email mike_sewell@gspnet.com

STATEMENT OF NEED: (Add additional pages as needed)

JUSTIFICATION FOR SOLE SOURCE CERTIFICATION

My division/department's recommendation for sole source is based upon an objective review of the product/service required and appears to be in the best interest of the LFUCG. I know of no conflict of interest on my part, and I have no personal involvement in any way with this request. No gratuities, favors, or compromising actions have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials, persons or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.

1. Describe the product or service and list the necessary features this product provides that are not available from any other option.

Gresham, Smith and Partners (GSP) were employed by LFUCG in RFP #28-2015 to design and implement a Video Distribution System. After system implementation ongoing maintenance and security update will be required. While there are entities that can provide similar services, the system that has been custom-built by GSP and the hiring of another firm would require a great amount of time to become comfortable with system. Additionally, there would likely be proprietary software/hardware changes needed.

2. Below are eligible reasons for sole source. Check one and describe.

Licensed or patented product or service. No other vendor provides this. Warranty or defect correction service obligations to the consultant. Describe why it is mandatory to use this licensed or patented product or service.

Existing LFUCG equipment, inventory, custom-built information system, custom-built data inventory system, or similar products or programs. Describe. If product is off-the-shelf, list efforts to find other vendors (i.e. web site search, contacting the manufacturer to see if other dealers are available to service this region, etc.)

Uniqueness of the service. Describe.

The LFUCG has established a standard for this manufacturer, supplier, or provider and there is only one vendor. Attach documentation from manufacturer to confirm that only one dealer provides the product.

Factory-authorized warranty service available only from this single dealer. Sole availability at the location required. Describe.

Used item with bargain price (describe what a new item would cost). Describe.

Other – The above reasons are the most common and established causes for an eligible sole source. If you have a different reason, please describe:

-

JUSTIFICATION FOR SOLE SOURCE CERTIFICATION

3. Describe efforts to find other vendors or consultants (i.e. phone inquires, web site search, contacting the manufacturer to see if other dealers are available to service region, etc.).

LFUCG issued an RFP for the design and implementation of VDM system. Each consultant/contractor proposed to provide a system but because of the nature each system will inevitable be unique. GSP provided a custom-built website and VDM system at the desired specifications outline in the RFP #28-2015.

4. How was the price offered determined to be fair and reasonable?

(Explain what the basis was for comparison and include cost analyses as applicable.)

This maintenance agreement is a lump sum contract. Should there be an instance where a large scale maintenance effort is needed then GSP will be responsible for whatever means are needed to restore services. There is a 4 hour response time guaranteed in the contract.

5. Describe any cost savings realized or costs avoided by acquiring the goods/services from this supplier.

Another website/server maintenance provider would require a large amount of time to familiarize with existing system and there still could be instances where the cause of a problem would remain unknown as this is a custom-built system.
