SUBJECT: Sole Source Agreement for the Installation and Maintenance of Granite and Asphalt Pavers for the Downtown Streetscape Project.

### **Request**

The Department of Environmental Quality and Public Works request approval of a sole source agreement with Decorative Paving Co. for the installation and maintenance of granite and asphalt pavers for the Downtown Streetscape Project. Decorative Paving is the company that originally installed the pavers.

### **Reason for Request**

This project will include the repair of damaged streetscape pavers on Vine Street between Broadway and Mill Street. The resetting of the granite pavers for the fountain at Cheapside Park and the installation of new granite pavers at Cheapside Park where a statue was recently removed. Decorative Paving installed the original pavers and using the same company guarantees that the work and materials will be compatible with the existing surfaces.
