

GRANT AWARD AGREEMENT

Fiscal Year 2016 Class A Incentive Grant Program

THIS AGREEMENT, made and entered into on the 26th day of May, 2016 by and between the **LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT**, an urban county government of the Commonwealth of Kentucky, pursuant to KRS Chapter 67A (hereinafter "Government"), on behalf of its Division of Water Quality, and **Idle Hour Neighbors Alliance, Inc.**, 150 St. Phillip Drive, Lexington, KY 40502 (hereinafter "Grantee").

WITNESSETH:

WHEREAS, the Government has funds available through the Stormwater Quality Projects Incentive Grant Program to assist qualified applicants in the implementation of projects that meet the goals of the program; and

WHEREAS, the Grantee represents directly or indirectly a group of single-family residences in Fayette County who are fee-payers of the Government's Water Quality Management Fee; and

WHEREAS, the Grantee has proposed a need for the funds requested to develop and implement a proposed project by submitting a valid grant application; and

WHEREAS, the Grantee desires to implement a specific project that meets one or more Incentive Grant program goals to improve water quality, reduce stormwater runoff, and provide public or private education related to stormwater quality for the benefit of its members, community, and the general public; and

WHEREAS, the Grantee's grant application has been reviewed and selected for funding by the Government's Water Quality Fees Board in accordance with Sections 16-408 and 16-410 of the Government's Code of Ordinances;

THAT FOR AND IN CONSIDERATION OF THE MUTUAL PROMISES AND COVENANTS HEREIN EXPRESSED, GOVERNMENT AND GRANTEE AGREE AS FOLLOWS:

- (1) The Government hereby grants the Grantee the sum of **\$6,910.00** (hereinafter "the Grant"), for use in implementing the project elements as listed in Attachment A which is incorporated herein by reference as if fully set out herein.
- (2) The Grantee agrees to match the Grant with contributions, labor and other services equal to or greater than 20% of the total project cost.
- (3) The Grantee agrees to use the Grant only for the activities set forth in Attachment A.
- (4) The Grantee agrees to perform periodic reporting as detailed in Paragraph 5 herein below, and provide to the Government a Project Final Report, in digital and hard copy, within thirty (30) calendar days of the completion of the project elements following a standardized format to be provided by the Government summarizing all work completed and detailing the total grant expenditures.

- (5) The Grant to the Grantee shall be disbursed in the following manner:
- (a) The Grantee shall submit, at least once every three (3) months, a *Grant Reimbursement Form* and a *Request for Funds*, in standardized format provided by the Government, to the Government's Grant Manager designated by the Director of the Division of Water Quality for the project. The *Request for Funds* shall include documentation that the Grantee has already expended the requested funds or shall be in a position to expend properly the requested funds within thirty (30) days of receipt of the funds. The *Request for Funds* shall include full accounting of all eligible grant-related expenses, as listed in Attachment A. Copies of invoices, purchase orders, or receipts showing vendor, date, amount, and items purchased or ordered shall be provided with the *Request for Funds*.
 - (b) Each *Request for Funds* shall include documentation of all of the Grantee's Match Costs listed in Attachment A and claimed for the prior period. For cash expenditures this shall include receipts, showing vendor paid, date, amount, and items purchased. For volunteer hours this shall include sign-in sheets describing the events with signatures, name, address, time in and time out (or length of event), for each participant (volunteers must be 12 years of age or older). For mileage, this shall include driver name, type of vehicle, location to and from, date, and miles driven.
 - (c) Each *Request for Funds* shall be accompanied by a *Project Status Report*, in a standardized format provided by the Government, describing the progress of the project to date, including a description and schedule of all activities completed, and hardcopy or electronic copies of materials completed and/or used to date. For educational events (if applicable), copies of the class sign-in sheets documenting the number of attendees shall be provided.
 - (d) The Government's Grant Manager shall review each *Request for Funds* and supporting documents for compliance with the terms of this Agreement and the guidelines of the Stormwater Quality Projects Incentive Grant Program. If the Government's Grant Manager finds the Grantee's *Request for Funds* is in compliance with the terms of this Agreement and the Program's guidelines and that the activity progress and management program of the Grantee satisfy the terms of this Agreement, he or she shall approve the *Request for Funds* within 15 days of receipt, and then forward it to the Division of Accounting for payment.
 - (e) Should the Government's Program Administrator determine that the Grantee is not in compliance with the terms of this Agreement and/or the Stormwater Quality Projects Incentive Grant Program, including deficiencies in progress and/or management of the project, the Division of Water Quality shall notify the Mayor's Office and the appropriate district Council person and shall meet with the Grantee on matters that prevent approval of the *Request for Funds*. Failure to resolve any such matters to the satisfaction of the Government may lead to termination of the Agreement for cause pursuant to Paragraph 25 herein below.
 - (f) The Government shall release payment of the final 3% of the Grant only after receipt and acceptance of the Project Final Report. The Government's Grant Manager shall review the Project Final Report and provide comments to the Grantee within 15 calendar days or, if acceptable, forward approval to the Division of Accounting for payment.
- (6) For any project which includes installation of permanent capital infrastructure as listed in Attachment A (not to include individual rain barrels, small rain gardens, and pond equipment), the Grantee agrees to meet all design standards specified in the Government's Engineering Manuals and/or as further described in Attachment A in the design of all Grant-funded improvements. This includes all associated activities including but not limited to erosion and sediment control, traffic control, utility relocations, seeding, etc. The Grantee further agrees to design the facilities in such a way as not to preclude the potential for future water quality/quantity monitoring by the Government.

- (7) For any project which includes installation of permanent capital infrastructure as listed in Attachment A, the Grantee agrees to provide in hard copy and electronic format the following deliverables as they become available, each sealed by a Professional Engineer licensed in the Commonwealth of Kentucky (or Registered Landscape Architect when allowed by Kentucky Revised Statutes 323A.010):
- Design calculations;
 - Final construction plans, including erosion and sediment control plans, traffic control plans, grading plans, etc.;
 - Final specifications and bidding documents (if applicable);
 - Detailed engineer's construction cost estimate including quantities;
 - Inspection, Operation, and Maintenance Plan laying out the plan for regular inspection and maintenance of each proposed facility for design performance and safety in accordance with manufacturer's specifications and the Government's Stormwater Manual.
 - Copies of all federal, state, and local permits, approvals, encroachments, etc. obtained for the project.
 - Record Drawing showing all field changes, and signed and sealed by the professional of record certifying the project as shown meets all original design intent.
 - Photo documentation of site conditions and improvements before, during, and after construction.
- (8) For any project which includes installation of permanent capital infrastructure listed in Attachment A, the Grantee shall provide, by the end of the design phase, certification by a Professional Engineer or Registered Landscape Architect licensed in Kentucky that all stormwater control facilities proposed for this project are feasible and viable Best Management Practices (BMPs) for controlling stormwater quality and/or quantity and are appropriate for the project site.
- (9) The Grantee agrees that any and all stormwater control facilities, including equipment and infrastructure, constructed or purchased with Grant monies shall remain the property of the Grantee, or the current property owner, or his successors and assigns, unless otherwise noted in Attachment A.
- (10) The Grantee agrees that all stormwater control facilities, including equipment and infrastructure shall remain in service and maintained by the Grantee or its representatives for at least the Service Life listed in Attachment A. For capital infrastructure, this shall include following the Inspection, Operation, and Maintenance Plan developed for each facility referenced in Paragraph 7 above. For capital infrastructure, the Grantee further accepts and agrees to enter into the "Agreement to Maintain Stormwater Control Facilities for Class A Incentive Grant Projects" attached hereto as Attachment B and which is incorporated herein by reference as if fully set out herein.
- (11) The Grantee agrees, and all individual property owners with grant-funded improvements installed on their properties shall agree, to allow the Government access to perform monitoring of the project elements for compliance with this Agreement.
- (12) The Grantee agrees to comply with all applicable local, state, and federal rules, regulations, ordinances, and laws in implementation of the project.
- (13) The Grantee agrees to obtain all necessary local, state, and federal permits and approvals in a timely manner and prior to the start of any work requiring such permits or approvals.
- (14) The Grantee agrees to obtain written approval from the Government's Grant Manager or Program Administrator for any proposed changes to the Project Team or Project Plan as listed in Attachment A prior to implementing the changes. Failure to gain written approval prior to making changes may lead to termination of the Agreement for cause pursuant to Paragraph 25 herein below.
- (15) The term of this Agreement shall be from the date of this Agreement until completion of the project outlined herein. The Grantee agrees to complete the project within **18** months from the date of this Agreement. The Grantee agrees to obtain written approval from the

Government's Grant Manager or Program Administrator for any time extensions beyond the grant period. Failure to gain written approval prior to making changes may lead to termination of the Agreement for cause pursuant to Paragraph 25 herein below.

- (16) The Grantee understands that the **Grant shown herein in Paragraph 1 is a not-to-exceed amount**, and any additional funding needed to complete the project elements listed in Attachment A is the responsibility of the Grantee. If it becomes apparent to the Grantee or the Government that the Grantee will be unable to complete the project either in the manner or for the amount described in this Agreement, then the Grantee must immediately notify the Government's Grant Manager and Program Administrator by providing a complete and detailed written explanation of its inability to comply with the terms of the Agreement. The Grantee must further provide the Government's Grant Manager and Program Administrator with a complete and detailed written explanation of any proposed changes, and the reasons for those changes.
- (17) The Grantee asserts that it is an incorporated organization registered in active status with the Commonwealth of Kentucky Secretary of State, and is in full compliance with all applicable provisions of the Lexington-Fayette Urban County Government's Code of Ordinances Chapter 5 – Buildings and Building Regulations, Chapter 7 – Finance and Taxation, Chapter 12 – Housing, and Chapter 16 – Sewage, Garbage, Refuse, and Weeds, or in compliance with Kentucky Department of Housings Buildings and Construction rules and requirements as is appropriate for those state institutions, parcels, or buildings which are subject to state regulations and oversight as opposed to local ordinances and regulations. If the Grantee becomes out of compliance with any of these provisions, it will contact the Government's Program Administrator immediately. Failure to resolve any such matters to the satisfaction of the Government may lead to termination of the Agreement for cause pursuant to Paragraph 25 herein below.
- (18) This Agreement may not be modified except by written agreement of the Government and the Grantee.
- (19) In any advertisement of the grant-funded project, whether oral or written communications, the Grantee agrees to identify the Lexington-Fayette Urban County Government as the source of the above referenced funds; the Grantee shall not specifically identify any individual or elected official as being responsible for the funds donated by the Government.
- (20) The Grantee agrees to allow the Government to publicize the Grantee's project through the Government's website and other media.
- (21) The Grantee agrees to reference the Lexington-Fayette Urban County Government's Water Quality Management Fee and the Stormwater Quality Projects Incentive Grant Program as a source of funding for the project on any permanent signage or educational brochures, presentations, websites, etc. produced using grant monies.
- (22) The Grantee is solely responsible for assuring that adequate and appropriate insurance or other necessary coverage is maintained during the term of this Agreement.
- (23) The Grantee shall provide equal opportunity in employment as required by applicable federal, state, and local laws, regulations and ordinances.
- (24) The Government assumes no responsibility whatsoever in the Grantee's project activities. Grantee shall defend, indemnify, and hold harmless the Government from and against any and all liability, claims, damages, losses, actions, costs, expenses, obligations, fines, and assessments of whatever kind, including defense costs and attorney's fees that are in any way incidental to or connected with, or that arise or are alleged to have arisen, directly or indirectly, in whole or in part, from or by Grantee's or its contractor(s), agents, or assigns, negligent acts or misconduct, or errors or omissions, or in any way connected with the activities carried out pursuant to this Agreement, the Grant award or the Stormwater Quality Projects Incentive Grant Program.
- (25) If, through any cause, the Grantee shall fail to fulfill in timely and proper manner its obligations under this Agreement, or if the Grantee shall violate any of the covenants, agree-

ments or stipulations of this Agreement, the Government shall provide the Grantee thirty (30) calendar days to address the deficiency or violation. If the Grantee does not, after the thirty (30) days, come into compliance with this Agreement, the Government shall thereupon have the right to terminate this Agreement by giving written notice to the Grantee of such termination and specifying the effective date thereof, at least five (5) calendar days before the effective date of such termination. In that event, all finished or unfinished documents, receipts and reports prepared by the Grantee shall, at the option of the Government, become its property and the Grantee shall immediately repay to the Government all monies received pursuant to this Agreement less any amount representing just and equitable compensation for the Government's share of any satisfactory work completed pursuant to the Agreement.

(26) The Grantee's sole remedy for a breach of this Agreement by the Government shall be limited to the amount of the Grant.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement at Lexington, Fayette County, Kentucky, this the day and year first above written.

LEXINGTON-FAYETTE URBAN COUNTY
GOVERNMENT

**Primary Project Contact
and Project Manager:** Beate Popkin
859-619-9202
beatepopkin@qx.net

Secondary Project Contact: Dale Epperson
859-644-9122
Epperson@email.com

Project Site Location(s): 209 and 213 St. Ann Drive

Property Owners: LFUCG

Consulting Firm Contact: NA

Project Participants: Idle Hour Neighbors Alliance

PROJECT PLAN ELEMENTS

A 240' long and 25' wide stream buffer will be planted along the unnamed creek that borders the Idle Hour Greenspace at 209 St. Ann Drive. A 5' wide path will meander through the length of the buffer. Plant species will be native to Kentucky and will be chosen with the goal of creating horizontal layers: canopy trees, a small tree/large shrub layer, and a herbaceous layer of dependable bluegrass wildflowers. All plants will be moisture tolerant. The woody species will be provided in 3 to 7 gallon containers. The path will be mulched with woodchips. An instructional sign explaining the purpose of the buffer and its ecological benefits will be posted near the sidewalk at St. Ann Drive.

PROJECT TEAM

- **Beate Popkin** will be project manager and primary contact for the project. She will recruit paid landscape workers to help with planting and supervise professional and volunteer workers
- **Dale Epperson** is secondary project manager and will help with planting and with supervising professional and volunteer workers
- **David Beck** will be in charge of finances, write checks and receive reimbursements
- **Marie Bradshaw** will be in charge of publicizing the project and related events

- **Annette Castle** will be in charge of maintaining contact with LFUCG
- **Mark Coyne** will be in charge of monitoring the stream and stream buffer zone for water and soil quality and control of invasive species
- **Kathy Hall, Janice Bett, Sharon Coyne and Drew Eclov** have advisory functions.

REPORTING REQUIREMENTS

In addition to the detailed reporting requirements listed in the Grant Award Agreement, the following special items are noted for this project:

1. The Organization shall provide written authorizations for private property access (including LFUCG Parks and/or LFUCG Division of Environmental Services) to the LFUCG Grant Manager prior to beginning work on any area for which they are required.
2. The Organization shall provide tree planting plans to Urban County Forester prior to implementation. LFUCG Grant Manager shall be copied on submittals and responses.
3. Exhibits showing the locations of the stream buffer, path and plantings shall be provided with the final report.

PERMANENT FACILITIES/INFRASTRUCTURE

Permanent Capital Infrastructure: This grant includes not include Permanent Capital Infrastructure for purposes of the Grant Award Agreement.

Ownership: The proposed permanent facilities are expected to reside on LFUCG property in Fayette County and be owned by the LFUCG.

Future Inspection and Maintenance: The Organization agrees to sign and abide by the terms of the *Maintenance Agreement for Stormwater Control Facilities for Class A Incentive Grant Projects* included as Attachment B to the Grant Award Agreement. The roles and responsibilities associated with long-term maintenance of the grant funded improvements for both the Organization and LFUCG shall be determined prior to construction.

Monitoring by LFUCG: The Organization agrees to allow LFUCG staff future access to any property on which work is performed to monitor the installed features for compliance with this Agreement during the grant period. After the grant period has ended, the Organization agrees to allow LFUCG access for monitoring per the terms of the Maintenance Agreement. Water quality sampling via grab samples or other methods may be employed by LFUCG staff as part of LFUCG's annual reporting requirement of its Kentucky Pollutant Discharge Elimination System (KPDES) MS4 Phase 1 permit.

ADDITIONAL GRANT STIPULATIONS

- a) Greenspace Project shall not begin until Grantee and LFUCG Division of Environmental Services provide agreement about the installation of the plantings and future maintenance responsibilities in writing. This shall be provided to the LFUCG Grant Manager prior to proceeding with construction.
- b) Tree plantings shall be coordinated with existing utilities prior to plantings, and if possible, trees shall not be planted within 10' of an existing utility.
- c) Organization shall obtain written approval/agreement prior to beginning work on properties not owned by the Organization.

GRANT PERIOD & PROJECT SCHEDULE

The grant period starts on the date of execution by the Mayor and extends for the time period as listed in the Grant Award Agreement. Any time extensions must be approved in writing by the LFUCG Grant Manager. The project schedule shown in Table 1 is preliminary. Proposed changes to the project which alter this schedule significantly shall be discussed with the LFUCG Grant Manager prior to implementation.

The planting of the greenspace stream buffer will be done in two stages: spring and fall of 2016. The spring planting window tends to be short, especially when turf grass needs to be killed before planting. Therefore, this schedule proposes to plant the lower reach of the buffer area in spring and the upper reach in fall. The lower reach will stay moist longer in spring which helps get plants established. The new plants in the upper reach will benefit from the winter rains to get their root systems established

TABLE 1 - PRELIMINARY PROJECT SCHEDULE

Activity	Anticipated Date (s)
Notice to Proceed (NTP)	January 2016
Announcement of grant and begin volunteer recruitment	February 2016
Invasive plants removal	March 2016
Recruit and hire paid landscape workers	March - April 2016
Spray lower reach turf grass	April 2016
Procure half of plantings and receive mulch delivery	April 2016
Install lower reach plantings and mulch	May 2016
Design and order sign	October 2016
Spray upper reach turf grass	October 2016
Procure and install upper reach plantings and mulch	October 2016
Project Closeout	December 2016
Provide Project Final Report to LFUCG	January 2017 (30 days after project completion)
Final Payment (3% Retainer)	After acceptance of Project Final Report

PROJECT BUDGET – GRANT ELIGIBLE EXPENSES

Table 2 lists the Eligible Expenses for elements of this project. Only properly invoiced items shall be reimbursed with grant monies or counted toward the Organization’s cost share. Any work performed on this project prior to grant award by Urban County Council and Notice to Proceed from the LFUCG Grant Administrator is NOT an eligible expense and shall not be reimbursed or counted toward the cost share.

Hours worked by participants under the age of 12 shall not be counted toward the cost share.

No work on any item outside of the project scope described herein, or any item to be covered by the contingency budget shall be performed without prior written approval from the LFUCG Grant Manager or Grant Administrator. Failure to do so may result in non-reimbursement for any such items.

Any donated professional service hours not currently listed in the Eligible Expenses shall be valued, at a maximum, at the Median Hourly Wage for the expertise provided – from the U.S. Department of Labor, Bureau of Labor Statistics, State Occupational Employment and Wage Estimates for Kentucky (current website: www.bls.gov/oes/current/oes_ky.htm).

TABLE 2 - PROJECT BUDGET

	Type of Expense	Participants	Item	Unit Price	Quantity	Funded by Organization	Funded by Grant	Total Expense
1 Idle Hour Greenspace Stream Buffer Project								
2	Donated professional landscape work	Living Gardens LLC	spraying planting area to clear of grass, supervising planting	\$ 15.20 per hour	15	\$ 228.00	\$ -	\$ 228.00
3	Donated administrative work	IHNA board	publicizing project, maintaining records of volunteer input	\$ 17.31 per hour	10	\$ 173.10	\$ -	\$ 173.10
4	Mulch delivered	Town Branch Tree Experts	15 cubic yards	\$20.00 per yard	15	\$ 300.00		\$300.00
5	Instructional sign	Instant Signs	Polymetal Sign	\$1,000.00 per sign	1		\$1,000.00	\$1,000.00
6	Trees	Shooting Star Nursery	large canopy trees	\$ 70.00 per tree	8	\$ -	\$ 560.00	\$ 560.00
7	Shrubs and small trees (see attached list)	Kelly Nursery Springhouse Shooting Star	shrubs and small trees	\$ 35.00 per shrub	130	\$ -	\$ 4,550.00	\$ 4,550.00
8	Herbacious plants	Shooting Star Nursery	many species	\$ 8.00 per plant	100	\$ -	\$ 800.00	\$ 800.00
9	Volunteer Hours	Idle Hour residents	20 Volunteers for planting and mulching each working 3 hrs.	\$ 7.25 per hour	60	\$ 435.00	\$ -	\$ 435.00
10	Cash donations	IHNA members and IH residents	residents who prefer not to do volunt. Work	\$ 25.000 per resident	25	\$ 625.00		\$625.00

14								
15								

COST SHARE % = 20.31% ok
MUST BE > 20%

* Note: Organization share must be 20% of total project costs.

SUPPLEMENTAL PROJECT ELEMENT INFORMATION (from Application)

1. Executive Summary

The Idle Hour Neighbors Alliance proposes to plant a vegetative stream buffer along one side of the creek in the Greenspace at 209/213 St. Ann Drive

The largest budget item is for plants. Water-absorbent and water-tolerant trees, shrubs and herbaceous plants, all native to Kentucky, will be planted. A 2x3' sign will be placed in the greenspace near the sidewalk to explain the purpose of the buffer and the ecological benefits of the plantings.

The Greenspace is subject to flooding with the water occasionally threatening neighboring properties. Large parts of the area are swamp-like through much of the year. Planting a buffer zone will mitigate the flooding, stabilize the stream bank, and improve the quality of the water in the stream. It will also make it possible for the Greenspace to function as an area of passive recreation for the neighborhood.

The maintenance of the buffer zone will be organized through the Idle Hour Neighbors Alliance. Several volunteer days per year for weeding and trash pick-up in the buffer zone will be scheduled.

Beyond the benefit of creating a stream buffer, the proposed planting will eventually result in a strip of shaded woodland with characteristic lowland plants as they are found in the Bluegrass region. The hope is that this project will bring back to this neighborhood some of the natural habitat that has been lost through urbanization.

2. Plant List

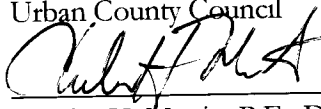

Large Trees	Small Trees
Swamp White Oak	Serviceberry
Boxelder	American hornbeam
Shellbark Hickory	Pawpaw
Swamp Tupelo	Red Buckeye
Sycamore	Alternate-leaf Dogwood
River Birch	Rough-leaf Dogwood
Sweet Birch	Common Alder
Yellowwood	Chickasaw Plum
Shrubs	Herbaceous Plants
Spicebush	Bloodroot
Bladdernut	Twinleaf
Buttonbush	Wood Poppy
Elderberry	Virginia Bluebells
Chokeberry	Wild Ginger
Winterberry	Woodland Phlox
Arrowwood Viburnum	Ragwort
Willows (different species)	Purple Phacelia
Witchhazel	Wild Geranium
Wahoo	Soloman Seal

Stormwater Quality Projects Incentive Grant Program

TO: Mayor Jim Gray
Urban County Council

FROM: 
Charles H. Martin, P.E., Director
Division of Water Quality

DATE: April 12, 2016

SUBJECT: Recommendation for a FY16 (Class A) Stormwater Quality Projects Incentive Grant for Idle Hour Neighbors Alliance, Inc.

Request

The purpose of this memorandum is to request approval of a FY16 (Class A) Stormwater Quality Projects Incentive Grant for Idle Hour Neighbors Alliance, Inc. in the amount of \$6,910.00.

Purpose of Request

Idle Hour Neighbors Alliance wishes to install a stream buffer that will be planted along the unnamed creek that borders the Idle Hour Greenspace at 209 St. Ann Drive. This buffer will be accompanied with a pathway, Kentucky native plant species, and an instructional sign explaining the purpose of the buffer and its ecological benefits. Installation of this project will improve water quality and community members' environmental awareness.

Project Cost in FY16 and in Future Budget Years

The grant has been approved by the Water Quality Fees Board in the amount of \$6,910.00 and will be fully spent by FY18.

Are Funds Budgeted

Funds are budgeted in: 4052 – 303204 – 3373 – 78112 – WQINCENTIVE_16 – WQ_GRANT
