<p>TO:          Mark Barnard          Chief of Police</p>	<p>SUBJECT:  <b>Request for Department of Law Review:          Spectrum Contract Extension</b></p>
<p>FROM:          Assistant Chief Dwayne Holman          Bureau of Administration</p>	

Please find attached recommended contract extension with Charter Spectrum Cable (formerly Time Warner) that allows a doubling of the Division of Police’s bandwidth at no cost. The only requirement is an extension of the original contract by one year.

The original Terms of Service (TOS) were the old TOS from Time Warner. As the company is transitioning to Charter Spectrum, they are not willing to modify the Time Warner TOS and extend the contract. Charter Spectrum is willing to modify the relevant terms of their new TOS to accommodate the recommendations from the Law Department. I have attached Charter Spectrum’s new TOS as well as a marked up version which includes the changes we requested.

Upon review, please forward this contract to the Department of Law for a review of this new contract prior to presentation to Council.

If further is needed, please advise.

Assistant Chief Dwayne Holman  
 Bureau of Administration
