**SUBJECT: Accept Additional Funds for FY 21 Home Network Program at the Family
Care Center**

Request: Council authorization to accept \$9,920 of additional funds from the Lexington-Fayette County Health Department to continue the Home Network Project also known as the Kentucky Health Access Nurturing Development Services (HANDS) program at the Family Care Center—FY 2021.

Purpose of Request: On September 24, 2020 (Resolution 426-2020) Council authorized acceptance of a \$486,420 award from the Lexington-Fayette County Health Department to continue the Home Network Project for FY 2021.

The Health Department has offered an additional \$9,920 to Family Care Center. No matching funds are required.

What is the cost in this budget year and future budget years? The Home Network program is a “fee for service” program, in that the LFUCG only receives funding for services that it delivers. For 2021, the Kentucky Cabinet for Health and Family Services has estimated the following allocations: Additional federal funds in the amount of \$9,920. No match is required. Funding for future budget years is dependent upon availability of federal and state funding.

Are the funds budgeted? Budget amendment 10875 is in process.
