Re: Ultrasonic Flow Meter MOA

Dear Mr. Farmer:

Enclosed you will find four (4) original executed MOA's between the Kentucky Horse Park and the Lexington-Fayette Urban County Government regarding the installation an ultrasonic flow meter on the premises of the Park. If you could please have the four originals fully executed and return one to us for our records, it would be appreciated.

Thank you for your continued assistance and cooperation with this project.

Sincerely,

  
Melany K. Crawford  
General Counsel
