## SOLE SOURCE CERTIFICATION

As here by stated on the sole source certification, captive replacement parts on Sparling Instruments' equipment are only available through the manufacturing company.

There is no other factory or outlet for Sparling meters or replacement parts. Sparling has the exclusive right in the selling of new Sparling meters and any Sparling parts.

The use of generic substitutes will void any warranty, if applicable and could greatly affect the performance, accuracy and lifetime of the meter.

METERS & CONTROLS CO., Inc. is our representative /distributor in Ohio, Indiana and Kentucky.
