SUBJECT: Bid # 95-2022 E-Waste Operation

Bids for a price contract for E-Waste Operation for the Division of Waste Management were received in the Division of Central Purchasing on August 31, 2022.

Ionwave notified four hundred and eighty (480) vendors with twelve (12) vendors viewing the document. Two bids were received, however, Cornerstone Technologies, Inc. was marked non-responsive since they neglected to describe detailed mapping of their recycling program and where our products would be going, type of pickup and any associated costs which were requested on page 34 of the specifications.

The bid submitted by Green Wave Computer Recycling, LLC meets bid specifications and is within budgetary constraints; therefore, I recommend the bid of Green Wave Computer Recycling, LLC be accepted.
