2. Project Information

Description/Scope of Work: Obtain accreditation of two departments within the Urban County Government, Building Inspection and Code Enforcement from the International Accreditation Service. IAS will use 3 assessors, the lead assessor will perform an onsite visit to review department documentation, the departments' procedures and policies will be reviewed against a specific nationally recognized Acceptance Criteria. Following the initial review, the 3 assessors will do a 4 day virtual online assessment of both Divisions. The Divisions will then have to then implement the recommendations of the assessment in order to achieve accreditation. Accreditation is subject to reviews for renewal.

Location of project (physical address and lat/long coordinates in decimal format): 101 E. Vine St. Lexington, KY 38.0455N:84.4969W

Total estimated cost: \$15,700.00
