To: Purchasing Director,

Thank you for your inquiry and as requested we have enclosed additional information in regards to our company and the "Tank Truck Emergency Response Specialists Workshop" that we provide to the Fire Service and Emergency Response Community.

The training itself is a combination of multi-media classroom training, hands-on activities, and demonstrations designed to accommodate 30 students per class. Your responsibilities will be to provide a suitable classroom, hands-on area that will be used to accommodate models, and training props.

The following quote is based on a 24 hour "Cargo Tank Emergency Response Specialist Workshop" to be presented on 3 consecutive days at a suitable location within Lexington, KY.

Tank Truck Emergency Response Specialist Workshop = \$11,900.00

This proposal includes all transportation, lodging, and other expense associated with the training and remains valid through the end of this calendar year. Should you have any additional questions, please feel free to contact us at any time.

Thank You,

Dave Wolfe, General Manager
