Request Council authorization to execute Supplemental Agreement No. 2 with the Kentucky Transportation Cabinet, accepting additional federal funds in the amount of \$49,600 for the Armstrong Mill Road Sidewalk Project design phase. Match in the amount of \$12,400 is required.

Why are you requesting:

On April 27, 2017 (Resolution No. 211-2017), Council approved the acceptance of federal funds from the Kentucky Transportation Cabinet for design of the Armstrong Mill Sidewalk Project. The Kentucky Transportation Cabinet has offered the LFUCG additional federal funds (Supplemental Agreement No. 2) in the amount of \$49,600 for the design phase. Match in the amount of \$12,400 is required. Match will come from Fund 1136 (Municipal Aid Program).

The additional funding will allow for the design of a traffic signal at Greentree Road and for a pedestrian bridge crossing Landsdowne Drive Tributary on the south side of Armstrong Mill Road. The scope of work for this project includes design engineering and environmental review for new sidewalk along both sides of Armstrong Mill Road from Tates Creek Road to just beyond Greentree Road. The project also includes curb and gutter, drainage improvements, and pedestrian bridges.

What is the cost in this budget year and future budget years? Cost for Fiscal Year 2019 is \$62,000.

Are the funds budgeted? Budget Amendments 9867 and 9868 are in process.
