Honorable Members, Urban County Council

FROM: 
Chris Ford, Commissioner of General Services

SUBJECT: Site Access Agreement for Proposed Cell Tower at Deer Haven Park

Request:

Request Council Authorization for the Mayor to execute a Site Access Agreement with Cellco Partnership d/b/a Verizon Wireless for a designated site located at Deer Haven Park.

Purpose:

Verizon Wireless has submitted an application to construct a cell tower at Deer Haven Park. Approval of the Site Access Agreement allows for Verizon's authorized agents to gain access to the park site, in order to determine the property's suitability for its intended use. These activities may include environmental inspection, testing and sampling.

If the site assessment concludes the property is suitable, then the wireless company will finalize negotiations with General Services on a formal cell tower lease agreement. In this event, the department will subsequently process this proposed lease agreement for administrative review, and request mayor and council approval.

Budgetary Implication:

There is no budgetary impact.

Are the funds budgeted? N/A
