SUBJECT: Bid # 48-2021 Motorcraft Batteries – Supplemental

Bids for a price contract for Motorcraft Batteries - Supplemental for the Division of Fleet Services were received in the Division of Central Purchasing on May 12, 2021.

Lonwave notified four hundred and four (404) vendors with six (6) vendors viewing the document. Two bids were received. Although Batteries Plus, LLC was the low bidder, we discovered they were unable to supply Motorcraft Batteries.

The bid submitted by KOI Auto Parts meets bid specifications and is within budgetary constraints; therefore, I recommend the bid of KOI Auto Parts be accepted.
