Re: **Request Approval to obtain repair services on LFUCG Fleet Vehicle No. 08295 - 2008 International, Straight Truck – Vector Unit, to be performed by Jack Doheny Companies, Inc.**

The Division of Water Quality requests approval to obtain repair services on LFUCG Fleet Vehicle #8295 – 2008 International, Straight Truck - Vector, to be performed by Jack Doheny Companies, Inc., located in Whitestown, IN. On April 2, 2014 the vehicle was involved in an accident resulting in damages which will cost \$48,496.08. The service includes replacement of (1) Hose Reel Assembly, frame repairs, labor, miscellaneous paint & supplies, as well as the cost for towing the unit to and from Indiana.

Sole source documentation is provided for Federal Signal Environmental Solutions Group, which classifies Jack Doheny Inc. as the sole representative for replacement products and service on the International - Vector Units in the state of Indiana and Kentucky. Also attached are police reports, pictures, an estimate and other related documentation.

The cost of the repairs will not exceed \$48,496.08 and is fully budgeted at 6021 – 160906 – 0001 – 73202 – 2014 – LFUCG – CLAIMS_2014 – CASUALTY_L

Questions regarding this agreement should be directed to Charles Martin at 425-2455.
