The Government, its employees and its designees shall have access to and the right to inspect, copy, audit, and examine all such records. The Grantee shall furnish and cause each of its own subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Government, or other authorized officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

For the purpose of this definition, "minority group members" are African-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage

Americans, Asian-Americans, and American Indians. The Grantee may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

7. The Grantee agrees to defend, indemnify, and hold harmless Government from any and all losses or claims of whatever kind, that are in any way incidental to, or connected with, or that arise or are alleged to have arisen, directly or indirectly, in whole or in part, from the execution, performance, or breach of this agreement by Grantee, including any environmental problems, including, without limitation, soil and/or water contamination, and remedial investigations and feasibility studies thereof, which exist at or prior to the agreement commencement date, regardless of when such losses or claims are made or incurred. This indemnity agreement shall in no way be limited by any financial responsibility, or loss control requirements below, and shall survive the termination of this agreement;

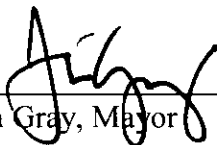

For the purposes of this Indemnity Provision:

- a) The word "defend" includes, but is not limited to, investigating, handling, responding to, resisting, providing a defense for, and defending claims at Grantee's expense, using attorneys approved in writing by Government, which approval shall not be unreasonably withheld.

 9. This agreement or any part hereof, may be amended from time to time hereafter only in writing executed by the Government and Grantee.
 10. This agreement can be terminated upon a 30-day written notice if Grantee fails to comply with any term of the Agreement. This Agreement may be terminated for convenience upon 30-day written notice by the Government.
 11. The parties agree that the obligations imposed upon the parties are for the benefit of the parties and that the timely performance of each and every obligation in accordance with the Agreement is necessary. The failure of any party to fulfill its obligations under the Agreement or the failure of any event to occur by a date established by this Agreement shall constitute a breach of this Agreement unless the fulfillment of such obligation is waived or modified by written agreement of the parties.
 12. In the event of default by Grantee, including the failure to meet any time deadlines set out in this Agreement, the Government may declare the Agreement void from the beginning without further obligation to Grantee and may commence appropriate legal or equitable action to enforce its rights under this Agreement.

13. Except as may otherwise be provided hereunder, the parties to this Agreement shall be solely responsible for any costs incurred in fulfilling their obligations under this Agreement, and no party shall have any claim against the other party for reimbursement of such costs, whether or not a party is in default.
