

MAYOR JIM GRAY

**LEXINGTON**

JIM DUNCAN  
DIRECTOR  
PLANNING

TO: Mayor Jim Gray  
Urban County Council

FROM: Jim Duncan, Director   
Division of Planning

DATE: May 24, 2018

SUBJECT: Memorandum of Agreement with **Skinny Labs Inc. dba Spin**

---

**Request:** Approve an MOA between LFUCG and Skinny Labs Inc. dba Spin that would enable Spin to operate a personal mobility vehicle share (bike share) program in public Right-of-Way (ROW) for the term of a one-year pilot program.

**Why are you requesting?** This MOA grants Spin a revocable and non-transferrable license to utilize the public ROW in order to provide personal mobility share services to the public. The MOA outlines the terms to use the public ROW solely for the purposes of maintaining and offering its personal mobility vehicle fleet within Lexington. Authority to utilize the ROW for this fleet is dependent on compliance with all terms of the Agreement, including compliance with the Lexington-Fayette Urban County Code of Ordinances and Kentucky traffic safety laws. The pilot project will allow the city of Lexington to explore the benefits of shared mobility services to the community and determine the types of policies and ordinances that will frame the future use of share mobility services in Lexington's public ROW.

**What is the cost in this budget year and future budget years?** There are no budgetary implications.

**File Number:** 588-18

**Director/Commissioner:** Jim Duncan/Derek Paulsen
