Division of Environmental Services

DATE: August 7, 2015

RE: Request for authorization to contract with Kelly Nursery, LLC as a sole source provider of plant material for Breeders' Cup Beautification Projects.

The purpose of this memorandum is to request a resolution authorizing the approval of Kelly Nursery, LLC as a sole source provider of plant material for the Breeders' Cup Beautification projects on Newtown Pike at Main Street, on Newtown Pike at I-75, and on Oliver Lewis Way.

These three projects will be constructed by city staff. This request allows for sourcing of all perennial container plants from one local vendor who can supply healthy, locally grown plants and provide for local storage. All plants are available for staged delivery starting in August and provided throughout September.

The total cost of the perennials is \$78,451.25 and is available and fully funded in:

1105-313201-3091-75105 CORR_BRCUP2015

Questions regarding this agreement should be directed to my office at 258-2888.

Cc: David Holmes, Commissioner
