### **EQUAL OPPORTUNITY AGREEMENT**

### Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states: *The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.*
- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- · Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states: The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Further, either party may terminate this Agreement for cause shown with thirty (30) days written notice, which shall explain the party's cause for the termination. - (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

If liquidated damages will be backcharged to a subcontractor by the Joint Venturer using the subcontractor, the Joint Venturers will agree how the liquidated damages are to be applied before deductions are taken from payment by the Owner. If the construction schedule indicates a potential for liquidated damages, then a meeting of the Joint Venturers will be held within two (2) weeks of identification of the schedule delay and a determination of responsibility and/or liability for liquidated damages decided within two (2) weeks of the meeting.
- **17.** <u>Backcharges</u>: Neither Joint Venturer has the authority to backcharge the other for defective work or otherwise, without a work order signed by each.
- **18.** <u>Taxes And Fees</u>: All permits, fees, licenses, and local taxes are to be paid and/or obtained by each respective Joint Venturer or Joint Venturer's subcontractor, as they may pertain to their items of Work. - 19. <u>Term</u>: The relationship between the Joint Venturers is limited to the performance of the Contract under the terms of this Agreement, which is construed and deemed to be a Joint Venture for the performance only of the Contract. This Agreement does not constitute the Joint Venturers partners or either Joint Venturer the general agent of the other, or in any manner limit either of the Joint Venturers in the conduct of their respective businesses or activities in the making of other contracts or the performance of other work, or impose any liability except that of performance of the terms, provisions and conditions of this Agreement. This Agreement will terminate upon completion of the Project and the Contract.
- **20. Project Closeout:** On completion of performance of the Project and the Contract, the Joint Venturers will settle and adjust all accounts in connection with the performance of the Project and the Contract.
- **21. Bankruptcy:** In the event of the Chapter 7 bankruptcy or insolvency of a Joint Venturer, the bankrupt or insolvent Joint Venturer, from and after the date of bankruptcy or insolvency, will cease to have any say or voice in the management of the Project and the Contract, and wherever it is provided in this Agreement that the act, consent or decision of the Joint Venturers are

required, it is deemed to mean the act, consent or decision of the solvent Joint Venturer. However, the insolvent Joint Venturer will remain liable for its share of any losses and will be entitled to receive its share of the profits, if any, as provided in this Agreement, for the Work performed by the bankrupt or insolvent Joint Venturer. Should such insolvency cause damage or extra cost to the other Joint Venturer, such damage or extra cost shall be charged against the interest of the insolvent Joint Venturer.

- **22.** <u>Joint Venturer Creditors</u>: The right of a creditor, receiver, trustee, assignee, garnishee, executor or administrator to assert any claim against the right, title and interest of either Joint Venturer, is limited solely to the right to claim or receive after completion of the Project and the Contract and after the closing of the accounts of the Joint Venture, the distributive share of such debtor and then only subject to the equities and prior rights of the other Joint Venturer.
- **23.** <u>Arbitration</u>: Any controversy or claim arising out of or relating to this Agreement shall be submitted to binding arbitration in North Carolina within 60 days of a Joint Venturer's demand. The arbitrator will be agreed upon by the Joint Venturers or appointed by a court. Any award rendered by the arbitrator may be entered as a final judgment in any court of competent jurisdiction.
- 24. Attorneys' Fees: In the event either Joint Venturer commences any action or proceeding against the other by reason of any breach or claimed breach of any provision of this Agreement, commences any action or proceeding in any way connected with this Agreement, or seeks a judicial declaration of rights under this Agreement, the Joint Venturer prevailing in such action or proceeding shall be entitled to recover from the other Joint Venturer, the prevailing Joint Venturer's reasonable attorneys' fees and costs including, but not limited to, expert witness fees, witness fees, and any and all other fees and costs, whether or not the proceeding or action proceeds to judgment. The parties agree that a reasonable attorney's fee shall not exceed \$250.00 per hour.
- **25.** <u>Successors</u>: The foregoing provisions and stipulations of this Agreement will bind the Joint Venturers and their respective successors and assigns.
- **26. No Oral Modifications:** Any change to this Agreement must be in writing, signed by the Joint Venturers.
- **27. Headings:** The headings of the paragraphs to this Agreement are for reference purposes only and are not to be used for the purpose of construing the language used in the paragraphs.

#### Dear Contractor:

The Transportation Cabinet has issued the enclosed Certificate of Eligibility which indicates the maximum amount of work permitted to be under contract at anyone time, as a prime contractor. The Construction Prequalification Committee has approved those types of work for which your organization is considered qualified to bid or accept a subcontract on highway projects in Kentucky.

This certificate will expire at the end of your current fiscal year, or calendar year whichever is applicable as provided by Internal Revenue Service Regulations, but will be extended for 120 days to permit sufficient time for filing new data and renewal of eligibility without loss of bidding capacity.

Please examine the certificate carefully and note that it <u>may not</u> grant eligibility for all of the types of work requested in your application. If you should have reasons to request for reconsideration of types of work permitted by the Transportation Cabinet, please see our website for information and instructions on how to request additional work items.

New prequalified contractors will need to purchase or download the latest edition of the Standard Specifications for Road and Bridge Construction and the Supplemental Specification Manual. First time bidders should pay special attention to Section 102, Bidding Requirements and Conditions, and Section 103, Awards and Execution of Contracts. The Standard Specifications for Road and Bridge Construction and Supplemental Specification Manual may be obtained by visiting the Division of Construction website at <a href="https://www.transportation.ky.gov/construction/">www.transportation.ky.gov/construction/</a>.
