RE: Third Party Collections Agency

Request:

Authorization to: execute an agreement with Professional Recovery Consultants, Inc. for third party collections of aged debt for EMS Billing and Lexserv Billing for a period of two (2) years with up to three (3) additional terms of renewal.

Why are you requesting?

LFUCG has historically contracted with an outside entity to continue collections on aged debt after a certain period of time. This contract will allow an outside agency to collect debts for EMS and Lexserv balances.

What is the cost in this budget year and future budget years?

There is no direct cost. Professional Recovery Consultants will receive 17.85% of old debt collected.

Are the funds budgeted?

N/A
