Subject: Grant Agreement Amendment No. 1 – Budget Revision
Competitive Housing Opportunities for Persons With AIDS – CARES Act
Grant Number: KYH2001W057 Lexington-Fayette HOPWA COVID-19 Program

Dear Ms. Reynolds:

We have been working with staff in your agency regarding an amendment for the subject grant. The amendment for this grant makes significant budget line revisions to continue providing services that were most needed during the COVID-19 pandemic. These revisions increase Short-Term Rental, Mortgage, and Utility Assistance funds to provide new and on-going assistance to clients. These revisions decrease Supportive Services and Leasing due to successful COVID-19 mitigation efforts eliminating the anticipated need to quarantine residents outside of the Tenant-based Rental Assistance facility, Solomon House. There are no changes in the total allocation or the scope of the project. Based on all information provided, the grant agreement amendment is approved.

Enclosed is a copy of the Grant Agreement Amendment. Please sign the documents and return electronically to the Louisville Office of Community Planning and Development by July 28, 2022.

If we may be of assistance in the future, please contact Heath Rico-Storey, Community Planning and Development Representative, at 502-618-8109 or by email at anthony.h.rico-storey@hud.gov.

Sincerely,
