The Company may satisfy the insurance requirements and conditions of this section under an equivalent self-insurance plan that is acceptable to Lexington.

Section 10 – (a) Lexington, through its Mayor or his designee, or through such assistants as Lexington may employ or designate, may, at all reasonable times and under reasonable conditions with prior notice and in compliance with any recognized and appropriate safety standards or guidelines, have access to all or any of the property owned or used in part or in whole by the Company in its operating and maintaining the System under this franchise and located within the Rights-of-way. In like manner, Lexington's above-mentioned officers and assistants may at all reasonable times and under reasonable conditions with prior notice, inspect, and subject to any reasonable confidentiality measures requested by the Company, examine or verify all or any of the accounts, books, records, contracts, documents or papers of the Company relating to gross revenues in Fayette County in order to audit and recompute any amounts determined to be payable under this Ordinance consistent with the provisions of Section 19(b) of this Ordinance. In the event that Lexington determines that it desires an audit of this franchise, the Company agrees to comply with all reasonable requests of Lexington pertaining to obtaining any necessary information or documentation from the Company reasonably necessary to the administration of this franchise and the provisions of Section 19(b) of this Ordinance shall apply if appropriate.

(b) The Company agrees further to furnish the Mayor or his designee timely written notice of its filing an application with the Public Service Commission for an increase in general base rates concurrent with said filing. Should Lexington choose to intervene in such

Commission action. the Company shall not oppose such intervention, and Lexington shall be given access to records related to said application, as required by the Commission.

(c) The Company agrees to provide Lexington and/or its Council with information pertaining to its provision of services pursuant to this franchise upon reasonable request. This shall include, but is not necessarily limited to, attending public meeting(s) at which some or all the Councilmembers are in attendance (in order to provide such information upon reasonable advanced notice) and providing an annual update to the Council upon its request.

Section 11 - (a) The franchise hereby created shall be for an initial period of five (5) years from the date of acceptance by the Urban County Council.

(b) This franchise may be renewed for up to two (2) additional terms not to exceed five (5) years each upon the request of the Company and the approval of the request by the Urban County Council. The request for a renewal shall be made in writing to Lexington's Mayor and Vice-Mayor at least one hundred eighty (180) days, but no earlier than one (1) year, in advance of the termination date of the Company's franchise agreement. The ultimate decision of whether to grant an additional franchise term shall solely be that of the Government.

(c) In addition, the term of the franchise may be extended up to twelve (12) months by agreement of the parties in order to provide for the good faith negotiation of a new franchise.

(d) This franchise is not exclusive, and the Government reserves the right to grant similar franchises to more than one Company. All franchises awarded pursuant to this Ordinance are intended to terminate at the same time. Therefore any Company awarded a franchise pursuant to this Ordinance shall only be awarded a franchise that is equal in duration to the remaining term of the initial franchise(s).

(e) This franchise creates no vested rights in the Company and any installation or placement of Facilities by the Company in the Rights-of-way is at the Company's risk. If the Company is not granted a new franchise upon the expiration of the term for which the franchise is granted, or if the Company's franchise is terminated or cancelled, as provided for herein, Lexington shall have the right to require the Company to remove at its own expense all portions of the system from all Rights-of-way within the confines of Fayette County.

(f) No assignment of this franchise or the System subject to this franchise shall take place without at least sixty (60) days advance written to Lexington, and consent by Lexington, which consent shall not be unreasonably withheld. The Company must obtain Public Service Commission approval when necessary and at a minimum the assignee must show that it

has met any and applicable statutory or regulatory standards or requirements pertaining to such an assignment.

(g) The Company shall not object to the Government's intervention and participation in any action before the Public Service Commission involving the transfer of control of the Company.

Section 12 - (a) If, after the Company is provided the opportunity to appear and present evidence before Lexington's Chief Administrative Officer or his designee, Lexington determines that the Company has violated any of the following provisions of this Ordinance, the following penalties shall be recoverable. The above-determination, which must be in writing and provide the basis for the decision, shall be the final administrative decision, which may be appealed to a court of competent jurisdiction.

(1) For failure to commence removal of any pending construction project within thirty (30) days of receiving notice from Lexington that the franchise has expired and will not be renewed, the Company shall forfeit five hundred dollars (\$500.00) per day or part thereof that the violation continues;

(2) For failure to provide data and reports requested by the Government and as required by this Ordinance, the Company shall forfeit one hundred dollars (\$100.00) per day or part thereof that the violation continues;

(3) For failure to pay the franchise fee when due pursuant to Section 18 of this Ordinance, or any itemized bill presented by the Government pursuant to Section 5 of this Ordinance or this section, the Company shall forfeit one hundred dollars (\$100.00) per day or part thereof that the violation continues. However, this provision shall not apply if interest is assessed by the Government pursuant to Section 19(c).

(b) If the Company fails to comply within thirty (30) days of any Council resolution directing compliance with any other provisions of this Ordinance, the Company shall forfeit one hundred dollars (\$100.00) per day or part thereof that the violation continues. The decision of the Council may be appealed to a court of competent jurisdiction.

(c) The Company shall not be excused from complying with any of the terms and conditions of this Ordinance by any failure of Lexington, upon any one or more occasions, to insist upon the Company's performance or to seek the Company's compliance with any one or more of such terms or conditions. Payment of penalties shall not excuse non-performance under this Ordinance. The right of the Government to seek and collect penalties as set forth in

this section is in addition to its right to terminate and cancel as set forth in Section 14 of this Ordinance.

Section 13 – Lexington reserves all rights it might presently have, or which it may hereafter acquire, to regulate the Company's rates and services. The parties acknowledge the [current] general regulatory authority that the Kentucky Public Service Commission has been provided in this area. The rights of all subscribers are defined by the Customer Bill of Rights, which is contained in the Company's tariffs. The Company will abide by any all Commission orders and/or tariffs pertaining to service and operations in Fayette County. As further consideration for the granting of this franchise, the Company shall work with the Government to improve the identification and replacement or repair of nonfunctioning street lights.

Section 14 - (a) In addition to all other rights and powers pertaining to the Government by virtue of the franchise or otherwise, Lexington, by and through its Council, reserves the right to terminate and cancel any franchise awarded pursuant to this Ordinance and all rights and privileges of the Company hereunder in the event that the Company:

(1) Willfully violates any material provision of the franchise or any material rule, order, or determination of the Government made pursuant to the franchise, except where such violation is without fault or through excusable neglect;

(2) Willfully attempts to evade any material provision of the franchise or practices any fraud or deceit upon the Government;

(3) Knowingly makes a material misrepresentation of any fact in the application, proposal for renewal, or negotiation of the franchise;

(4) Is experiencing a foreclosure or other judicial sale of all or a substantial part of the Company's Facilities located within Fayette County. The Company shall provide the Government at least thirty (30) days advance written notice of such foreclosure or sale;

(5) Is no longer able to provide regular and customary uninterrupted service to its customers in the franchise area.

(b) Prior to attempting to terminate or cancel this franchise pursuant to this section, the Mayor or his designee, or the Urban County Council shall make a written demand that the Company do or comply with any such provision, rule, order or determination. If the violation of Section 14(a) by the Company continues for a period of thirty (30) days following such written demand without written proof that the corrective action has been taken or is being actively and expeditiously pursued, Lexington may place its request for termination of the franchise as early as the next regular Council meeting agenda. Lexington shall cause to be served upon Company, at

least ten (10) days prior to the date of such Council meeting, a written notice of intent to request such termination and the time and place of the meeting, legal notice of which shall be published in accordance with any applicable laws.

(1) It shall be a defense to any attempt to terminate and cancel the franchise that the Company was relying on federal law, state law, or a valid tariff in acting or not acting on the issue in dispute.

(2) The Council shall consider the request of the Government and shall hear any person interested therein, and shall determine in its discretion, whether or not any violation by the Company was with just cause.

(3) If such violation by the Company is found to have been with just cause, the Council shall direct the Company to comply therewith within such time and manner and upon such terms and conditions as are just and reasonable.

(4) If the Council determines such violation by the Company was without just cause, then the Council may, by resolution, declare that the franchise of the Company shall be terminated and forfeited unless there is compliance by the Company within such period as the Council may fix.

Section 15 – The Council shall have the right to cancel this franchise thirty (30) days after the appointment of a receiver, or trustee, to take over and conduct the business of the Company, whether in receivership, reorganization, bankruptcy, or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said thirty (30) days, unless:

(a) Within thirty (30) days after his election of appointment, such receiver or trustee shall have fully complied with all the provisions of this Ordinance and remedied all defaults thereunder; and,

(b) Such receiver or trustee, within said thirty (30) days shall have executed an agreement, duly approved by the court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Ordinance and the franchise granted to the Company.

Section 16 - It shall be the duty of the Mayor or his designee as soon as practicable after the passage of this Ordinance to offer for sale at public auction said franchise and privilege. In the event that additional interested bidders are identified or express an interest in obtaining a franchise after this initial offering, the additional offering and advertisement to accommodate such bidders is hereby authorized where not precluded by law. Said franchise and privilege shall be

sold to the highest and best bidder or bidders at a time and place fixed by the Mayor after he or she has given due notice thereof by publication or advertisement as required by law.

Section 17 – Bids and proposals for the purchase and acquisition of the franchise and privileges hereby created shall be in writing and shall be delivered to the Mayor or his designee upon the date and at the time fixed by him or her in said publication or advertisement for receiving same. Thereafter, the Mayor shall report and submit to the Urban County Council, at the time of its next regular meeting or as soon as practicable thereafter, said bids and proposals for its approval. The Urban County Council reserves the right, for and on behalf of the Government, to reject any and all bids for said franchise and privileges; and, in case the bids reported by the Mayor shall be rejected by the Urban County Council, it may direct, by resolution or ordinance, said franchise and privilege to be again offered for sale, from time to time, until a satisfactory bid therefore shall be received and approved.

(a) Each bid shall be accompanied by a non-refundable payment to Lexington in the amount of five hundred dollars (\$500.00) to cover its cost of advertising and other administrative expenses incurred.

(b) In addition, any bid submitted by an entity or person not already owning within the territorial limits of Fayette County a plant, equipment, and/or Facilities sufficient to render the service required by this Ordinance must be accompanied by cash or a certified check drawn on a bank of the Commonwealth of Kentucky, or a national bank, equal to five percent (5%) of the fair estimated cost of the system required to render the service, which check or cash shall be forfeited to the Government in case the bid should be accepted and the bidder should fail, for thirty (30) days after the confirmation of the sale, to pay the price and to give a good and sufficient bond in a sum equal to one-fourth (1/4) of the fair estimated cost of the system to be erected, conditioned that it shall be enforceable in case the purchaser should fail, within sixty (60) days, to establish and begin rendering the service in the manner set forth in this Ordinance. Bids shall include such documentation as is necessary to support the bidder's determination of the fair estimated cost of the system required to render the service. Lexington reserves the right to review any of bidder's supporting documentation which justifies bidder's determination of said estimated cost.

Section 18 - (a) In consideration for the granting of the franchise the Company agrees to pay the franchise fee as provided herein, which shall automatically be established in an amount of three percent (3%) of the gross annual revenues received by the Company within Fayette County including any fees charged directly to customers related to the receipt of services, unless

Lexington establishes the franchise fee in a different amount pursuant to this section. Lexington reserves the right at any time during the effective period of the franchise to be awarded hereby to impose upon the Company a franchise fee in an amount not to exceed five percent (5%), inclusive of the permitting fees provided in subsection 18(f), below, of the gross annual revenues received by the Company from electric service provided by the Company within Fayette County including any fees charged directly to customers related to the receipt of services. The Company may choose to assess the permitting fees provided in subsection 18(f), below, in addition to and as a part of the franchise fee amount. The term gross annual revenues is intended to include revenue received from customers within Fayette County supplied under residential, commercial, industrial, public street and highway lighting, and other public authorities classifications. At a minimum, the franchise fee is intended to apply to gross revenues related to those services which include the franchise fee as part of the tariff filed with the Public Service Commission as of the date of the adoption of this Ordinance, and the Company expressly agrees that it will continue to pay franchise fees on the gross revenues derived from these services for the duration of this franchise with the exception of those public street lights for which Lexington is the customer. The Company further agrees to include the franchise fee tariff on any revised or additional tariffs for services in Fayette County unless Lexington specifically indicates that it does not want the fee to apply. The Company agrees that the franchise fee shall not be applied to those public street lights for which Lexington is the customer subject to any required approval by the Kentucky Public Service Commission. No later than ten (10) working days after final acceptance of its bid by Lexington, or any subsequent notification of any change in the amount of the fees in this Section 18, the Company shall make any necessary filings with the Kentucky Public Service Commission to provide for prompt and satisfactory cost recovery of the amount(s) payable under this Ordinance and any franchise awarded pursuant to its terms for any amounts for which it desires recovery. In the event that a new or modified tariff or special contract is necessary to comply with the franchise or to seek cost recovery, such filing shall be made within forty-five (45) days. The Company shall provide Lexington with copies of any filings it makes with the Kentucky Public Service Commission related to the franchise in order to satisfy the obligations created herein. The Company is otherwise required to continue submitting payments to the Government under the terms of its existing tariff(s) and/or franchise until such time as any necessary approvals are obtained.

(b) As further consideration for the granting of this franchise, the Company shall work with the Government to provide of redundant power feeds/lines sufficient to meet

operational needs from separate power substations to all Government facilities housing security, communications, and or information technology services in accordance with any applicable tariff.

(c) As further consideration for the granting of this franchise, the Company shall permit the Government to utilize its pole, conduit, or raceway space at no charge when such space is vacant or available for public safety or governmental purposes. If such space is not available, then the Company shall make such space available on the most favorable terms extended to any other customer. This provision shall not supersede any existing or future agreement that the Government has with the Company pertaining to the use of the Company's space.

(d) If, after a period of sixty (60) days from the filing of Company's application or tariff, the Kentucky Public Service Commission has made no final determination concerning the prompt and satisfactory recovery of amounts payable under this Section by the Company, then the Company's obligation to pay the amount specified in Section 18(a) shall be suspended, provided the Company shall first give the Government ten (10) days written notice of its intention to suspend payment pending the decision of the said Commission. In the event of suspension of the Company's obligation as herein provided, the Government shall have the option to terminate this franchise within thirty (30) days of receipt of said written notification from the Company. Notwithstanding the above, any Company that had a previously existing franchise with Lexington shall continue to pay the fees established pursuant to its previous franchise.

(e) In the event the sale of electricity is deregulated within the Commonwealth of Kentucky, and deregulation results in a material shortfall of revenue to Lexington, Lexington shall have the option of terminating the franchise agreement with the Company. If the franchise agreement is terminated by Lexington pursuant to this provision, Lexington and the Company shall have a duty to negotiate in good faith with respect to offering a mutually acceptable franchise agreement to the Company.

(f) In addition to the franchise fees in Section 18(a), the Company is also required to pay Lexington an additional amount intended to adequately compensate Lexington for its permitting and inspection of the Company's construction activities in the Rights-of-way pursuant to Section 17C-22 of the Code. This amount is to be paid separately to Lexington at the time and under the terms as set forth in Chapter 17C of the Code. The Company may seek tariff approval from the Kentucky Public Service Commission for the recovery of such payments as set forth in Section 18(a). Notwithstanding the foregoing, the Company may elect to pay for its permit fees upon application for each respective permit upon approval of the person specified in Chapter

17C of the Code. These permitting fees are subject to change during the term of the franchise based upon an audit of the actual cost of permitting for the Government or a change in the amount of the respective permitting fees found in Section 17C-22 of the Code. In the event of such a change, the Company shall be provided at least sixty (60) days advance written notice.

(g) To the extent the Company actually incurs other reasonable incremental costs in connection with its compliance with Lexington's ordinances; Lexington agrees that the Company may recover such amounts from its customers pursuant to the terms of a tariff filed and approved by the Kentucky Public Service Commission, if otherwise permitted by law.

Section 19 - (a) Payment of any amount due under this Ordinance shall be made on a monthly basis within thirty (30) days of the end of the preceding calendar month. Upon request, Company shall deposit such payments electronically to an account specified by Lexington. In the event of suspension of the Company's obligation pursuant to Section 18(b) herein, said suspension shall not have application to any amount due hereunder for the preceding calendar month, and the gross income received by the Company during any such suspension period shall be excluded from the Company's annual gross revenues for the purpose of calculating amounts due under Section 18(a) herein.

(b) No acceptance of any franchise fee payment by Lexington shall be construed as an accord and satisfaction that the amount paid is in fact the correct amount nor shall acceptance be deemed a release to any claim Lexington may have for future or additional sums pursuant to this Ordinance. Lexington shall have the right to inspect the Company's income, financial, and records relating to gross revenues in order to audit, and to re-compute any amounts determined to be payable under this Ordinance. The Company shall respond to a reasonable request for information related to obtaining audit information within ten (10) business days unless agreed otherwise by the parties. This provision shall survive the term of any franchise agreement awarded pursuant to this Ordinance for a period of one (1) year. Any additional amount due to Lexington as a result of the audit shall be paid within thirty (30) days following written notice to the Company by Lexington which notice shall include a copy of the audit report. If as a result of such audit or review Lexington determines that the Company has underpaid its franchise fee by five percent (5%) or more for any six (6) month period then in addition to making full payment of the relevant obligation it shall reimburse Lexington for all of the reasonable costs associated with the audit or review. If such audit or review is performed in connection with the granting of a new franchise, and extension of the terms of this franchise, a sale or transfer of control of the Company, or a substantive modification of the terms to, or an

assignment of this franchise, the Company shall reimburse Lexington for all of the reasonable costs associated with the audit or review including all out-of-pocket costs for attorneys, accountants and other consultants.

(c) In the event that any franchise payment or recomputed amount is not made on or before the applicable dates heretofore specified, interest shall be charged from such date at the annual rate of eight percent (8%). Overpayments discovered by the Government or the Company shall be an adjustment on the next monthly payment without interest.

(d) With respect to its billing of Lexington, Company agrees to work with Lexington toward the provision of electronic billing and information regarding energy consumption, and shall timely provide an explanation of any and all billing adjustments or credits including the account(s) impacted and any and all late payments upon reasonable request.

Section 20 – Bids offered for purchase of this franchise shall state the bidder's acceptance of the conditions set forth in this Ordinance. If any bid shall include an offer of payment over and above the terms of the franchise, then a certified check for said amount, payable to the Lexington-Fayette Urban County Government, shall be deposited with the Government. ORDER

On March 26, 2013, Clark Energy Cooperative, Inc. ("Clark Energy") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to qualify it to bid on a franchise for electric services offered by the Lexington-Fayette Urban County Government. Under the provisions of KRS 278.020(4), no utility may apply for a franchise from any governmental agency until it has obtained a Certificate of Public Convenience and Necessity from this Commission based on our finding that there is a need and demand for the service sought to be rendered.

In light of the Lexington-Fayette Urban County Government's ordinance creating an electric distribution franchise, the Commission determines that there is evidence of a need and demand for electric services for the Lexington-Fayette Urban County Government. Since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchises offered by the Lexington-Fayette Urban County Government, or the manner in which any franchise fee is to be treated for rate purposes.

IT IS THEREFORE ORDERED that:

1. Clark Energy is granted a Certificate of Public Convenience and Necessity that authorizes it to bid on a franchise for electric services offered by the Lexington-Fayette Urban County Government.

2. If Clark Energy is not the successful bidder, Clark Energy shall, within ten days of the award of the franchise at issue, file with the Commission a written notice stating that Clark Energy was not the successful bidder.

3. If Clark Energy is the successful bidder, Clark Energy shall, within ten days of the award of the franchise at issue, file with the Commission a copy of the executed franchise agreement.

4. Any documents filed pursuant to ordering paragraphs 2 or 3 of this Order shall reference the number of this case and shall be electronically submitted via the Commission's electronic Tariff Filing System.

5. This Order shall not be construed as granting a Certificate of Public Convenience and Necessity to construct utility facilities for the Lexington-Fayette Urban County Government.
