SUBJECT: Southland Christian Church of Lexington
Deeds of Easement

The purpose of this memorandum is to request a resolution authorizing the acceptance of the deed of easement from Southland Christian Church of Lexington for a sanitary sewer.

As part of the Southland Christian Church purchase and renovation of the old Lexington Mall, it was necessary for Southland to construct a new sanitary sewer around the periphery of the new lot. In consideration of this new easement, the LFUCG has agreed to release the old, existing easement back to Southland Christian Church.

Construction of the new sanitary sewer has been completed and this deed will provide for the creation and recording of the easement.
