Re: Amending of Ordinance No.134-2014 Zoning Ordinance Amendment regarding surplus parking

Date: May 28, 2015

In reviewing Ordinance No. 134-2014 it came to the attention of the Planning staff and the Law Department that there was a clerical error in the title of the text amendment to the zoning ordinance. Rather than listing the private entity that introduced and sought the text amendment to allow the reduction of surplus parking as a minor amendment on the development plan, the Planning Commission was listed in the title. After discussion within the Law Department and with the Council Clerk, it was determined that an ordinance amending Ordinance No. 134-2014 to correct the clerical error in the title would be appropriate for consistency of the record. There are no substantive changes to the ordinance, the amending ordinance merely corrects the clerical error.
