**RE:** Donation to the Georgetown Police Department – Police Bicycles (10)

Please find attached documentation requesting approval for the Lexington Division of Police to donate ten (10) police bicycles to the Georgetown Police Department for law enforcement use only. The Division of Police is currently in the process of taking the bicycles out of service due to age and overall condition. These late model bicycles, which have no safety issues, would be a great resource for the Georgetown Police Department. The bicycles are currently being processed for surplus purposes (copy of FA9 is attached). Upon approval of donation, the bicycles will be transferred to the Georgetown Police Department.

There will be no budgetary impact. If you have any questions or require additional information, please contact my office.
