Subject: Sole Source Letter

To Whom it May Concern:

This letter serves as a sole source document for products manufactured by Huber SE, HydroPress Huber AB and Huber Picatech AG.

Huber Technology, Inc. based in Denver NC is the only vendor of RAKEMAX® Screen and parts for the RAKEMAX® Screen.

Replacements parts for the RAKEMAX® Screen manufactured by Huber SE are unique in design based on more than 20 years of application experience. Material selection is critical for the life expectancy of these parts and your RAKEMAX® Screen. The proper parts design and parts manufacture ensures the lowest possible life-cycle cost for your RAKEMAX® Screen.

Huber Technology Inc. is a subsidiary of the original manufacturer, Huber SE and the only source for the parts in the United States and Canada. Any warranty on your RAKEMAX® Screen is void if non-factory parts are used.

To the best of our knowledge, no other vendor manufactures and distributes these or similar items. In addition to supplying spare parts for your RAKEMAX® Screen, Huber Technology, Inc. also offers full service and repair services for your RAKEMAX® Screen.

Please let me know should you need further details.

Yours faithfully,

Mike Suddreth
