EXHIBIT 6A
ENGINEERING SERVICES

age | 54

If the Grantee's Project requires professional engineering services, such services shall be properly procured in accordance with KRS 45A.730 to 45A.750.

A copy of the Engineering Contract between the Grantee and the Engineer shall be submitted to the Authority, marked as Exhibit 6A.

Please check the box below that most closely describes your project. If additional comments need to be made, please provide comments in the blank area below or attach a separate sheet.

- This project requires an engineer and will have an engineering contract.
- This project was designed by an in-house engineer and will not have an engineering contract.
- This project does not require design by an engineer and will not have an engineering contract.

EXHIBIT 6B

GRANTEE & ENGINEER FEE CONFIRMATION

The Authority requires that the Engineer's fee be calculated based on the Engineer's estimated net construction cost of the Project in conformance with the latest version of the USDA Rural Development Utility Program Fee Guide.

Consequently, when services of a professional engineer are required for the Grantee's Project, the Grantee and the Project Engineer must confirm, by signature below, that:

The Grantee and the Professional Engineer concur and hereby state that the total dollar amount for all professional engineering services provided to the Grantee by the Engineer relating to the Project, as set out in the Project Profile, to be paid in sum, cumulatively, over the course of Project implementation, shall be less than or not to exceed the fee amounts as set out in the approved Project Profile Budget, as determined by the Engineer. Higher amounts for materials costs and construction costs than those estimated as contained in the Project Profile, as may result from Project bidding, do not warrant an increase in Engineering Fees unless the Project must be re-bid or infrastructure components must be re-designed as a consequence of bid-price overages. Further, it is understood that any proposed amendment to the Engineering Contract, as relates to the Grantee's Project is subject to prior written approval of the Authority.

Grantee Authorized Official: 
Signature

Professional Engineering Firm: Stantec Consulting Services Inc.

Professional Engineer: 
Signature

Please check the box below if the project does not require a contract with an outside engineer. If additional comments need to be made, please provide comments in the blank area below or attach a separate sheet.

- This form does not apply because the project was designed by an in-house engineer or the project does not require design by an engineer.

EXHIBIT 8

**COPY OF KENTUCKY DIVISION OF WATER APPROVAL LETTER
FOR
ENGINEER'S PROJECT PLANS & SPECIFICATIONS**

Please check the box below that most closely describes your project. If additional comments need to be made, please provide comments in the blank area below or attach a separate sheet.

- This project requires DOW approval and the approval letter is attached.
- This project does not require DOW approval and the approval letter is not applicable.

EXHIBIT 9

THE BID PACKAGE

Provide a signed copy of each of the following elements of the Bid Package to the Authority within 14 days of bid opening:

- 1) Engineer's Approval of "as-bid" project budget, with Engineer's signature.
- 2) Affidavit of Newspaper Publication with Tear Sheet of Advertisement.
- 3) Certified Bid Tabs with Engineer's seal, number, and signature.

Please check the box below that most closely describes your project. If additional comments need to be made, please provide comments in the blank area below or attach a separate sheet.

- Procurement for this project requires the project to be bid. The bid package referred to above is attached.
- Procurement for this project falls under small purchase procurement and requires 3 quotes. The quotes are attached.
- Procurement for this project falls under a procurement master agreement. The master agreement is attached.
- Procurement for this project used another procurement type and is described below.

Other Procurement description: _____
