SUBJECT: Institute of Police Technology and Management (IPTM) Agreement

Request: Council authorization to execute the agreement between the Institute of Police Technology and Management (IPTM) and the Lexington Police Department for thirty officers to attend two IPTM courses. Cost not to exceed \$29,000.

Purpose of Request: The Lexington Police Department (LPD) requests agreements with Institute of Police Technology and Management to allow the LPD to host two IPTM courses during the grant fund year. These courses will allow up to 30 officers to attend with no travel costs or per diem, if local. The officers will then be certified in Collision Reconstruction and able to conduct investigations across the state for fatal collisions and any other collisions needing a specialized investigator.

IPTM travels to the hosting departments for \$14,500 per training class, which is a significant cost decrease from paying for each individual officers to travel to attend the courses. If approved, the LPD will schedule and host the training for their officers and several other officers within the state of Kentucky.

What is the cost in this budget year and future budget years? Total cost in FY23 is \$29,000.00. No future cost anticipated in future budget years.

Are the funds budgeted? Yes, funds are from Traffic Safety Grant (TRAFSAFTY_2023); 3160-505505-5543-74102
