SUBJECT: Recommendation for an FY23 (Class B Education) Stormwater Quality Projects Incentive Grant for The Living Arts and Science Center, Inc. (LASC)

Request

The purpose of this memorandum is to request approval of an FY23 (Class B Education) Stormwater Quality Projects Incentive Grant for The Living Arts and Science Center, Inc. (LASC) in the amount of \$35,296.00.

Purpose of Request

Grant funds are to be used to develop and present additional water quality-related curricula and to disseminate educational content utilizing established programs at LASC's facilities and grounds. LASC project elements will support programs such as the Kentucky Wild and Wonderful; the Kentucky Wildlife and Water outreach programs, an after-school ecology curriculum for Science Explores, Eco Workshops for families, monthly PreK STEM Days, and Water is Life Day community events and ongoing educational displays. LASC anticipates reaching students, teachers, and family members through its various programs, regular classes, and workshops throughout the year. They also anticipate reaching additional audiences through field trips and activities at LASC, on their website, social media, and through mailings.

Project Cost in FY23 and in Future Budget Years

The grant has been approved for FY 2023 funding by the Water Quality Fees Board in the amount of \$35,296.00.

Are Funds Budgeted
