SUBJECT: Bid 117-2019 Frontloader

Bids for Frontloader for the Division of Fleet Services were received in the Division of Central Purchasing on November 7, 2019.

Ionwave notified three hundred fifty five (355) vendors with twelve (12) vendors viewing the document. Three (3) bids were received. The bid from Peterbilt of Louisville did not meet the specifications. 10.10 states "finished heights in excess of thirteen feet (13') may be rejected. The frontloader proposed by Peterbilt has an overall height of 13'10".

The bid from Worldwide Equipment meets the bid specifications and is within budgetary constraints; therefore, I recommend Worldwide Equipment.
