This

program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit

access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract

exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available workforce in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, Vietnam veterans, handicapped and aged persons.

_____ Requested a list of MWDBE subcontractors or suppliers from LFUCG Economic Engine and showed evidence of contacting the companies on the list(s).

_____ Contacted organizations that work with MWDBE companies for assistance in finding certified MWDBE firms to work on this project. Those contacted and their responses should be a part of the bidder's good faith efforts documentation.

_____ Sent written notices, by certified mail, email or facsimile, to qualified, certified MWDBEs soliciting their participation in the contract not less than seven (7) days prior to the deadline for submission of bids to allow them to participate effectively.

- _____ Followed up initial solicitations by contacting MWDBEs to determine their level of interest.

- _____ Provided the interested MWDBE firm with adequate and timely information about the plans, specifications, and requirements of the contract.

- _____ Selected portions of the work to be performed by MWDBE firms in order to increase the likelihood of meeting the contract goals. - _____ Bidder has to submit sound reasons why the quotations were considered unacceptable. The fact that the bidder has the ability and/or desire to perform the contract work with its own forces will not be considered a sound reason for rejecting a MWDBE quote. Nothing in this provision shall be construed to require the bidder to accept unreasonable quotes in order to satisfy MWDBE goals.

- _____ Made an effort to offer assistance to or refer interested MWDBE firms to obtain the necessary equipment, supplies, materials, insurance and/or bonding to satisfy the work requirements of the bid proposal

- _____ Made efforts to expand the search for MWDBE firms beyond the usual geographic boundaries.

_____ Other - any other evidence that the bidder submits which may show that the bidder has made reasonable good faith efforts to include MWDBE participation.

Failure to submit any of the documentation requested in this section may be cause for rejection of bid. Bidders may include any other documentation deemed relevant to this requirement. Documentation of Good Faith Efforts are to be submitted with the Bid, if the participation Goal is not met.

The undersigned acknowledges that all information is accurate. Any misrepresentations may result in termination of the contract and/or be subject to applicable Federal and State laws concerning false statements and claims.

Energy Project Assessment District - Request for Proposal

Background

Legislation passed in 2015 by the Kentucky General Assembly authorizes local governments to establish Energy Project Assessment Districts (EPADs). EPADs provide a new, innovative, and proven way for commercial, agricultural, industrial, non-profit and multi-family property owners to pay for the following building infrastructure improvements:

- Energy efficiency upgrades
- On-site renewable energy systems
- Water conservation measures

EPAD financing can provide for 100% of an energy project's cost, and is repaid by participating property owners with a voluntary assessment on the property tax bill over a term equal to or less than the estimated useful life of the improvements up to 30 years.

Property owners who take advantage of EPAD financing are able to experience multiple benefits not available with traditional loans. Historically, financing energy projects has been plagued by short repayment periods, high or variable interest rates, stringent credit requirements that don't account for savings from improved energy efficiency, and lack of equity. EPAD financing offers the following unique benefits to the property owner:

- Requires NO down payment
- Provides fixed payments with low interest rates
- Extended repayment terms of up to 30 years allow most energy projects to have immediate positive cash flows since some improvements, such as windows and elevators, have higher upfront costs and lower energy savings. However, it is not recommended to finance measures beyond their expected useful life.
- EPAD assessments remain with the property, not the business, when sold or transferred
- Underwriting for EPAD financing focuses on the positive equity in the property
- Because the EPAD assessment is the ONLY repayment obligation and is attached to the property tax record and NOT the business, the business owner doesn't tie up other credit lines for essential operating expenses

Energy projects financed with EPAD do NOT require a subsidy or incentive from the local government sponsoring the EPAD.

Scope of Work

The Lexington-Fayette Urban County Government (LFUCG) is seeking a qualified entity to administer a county-wide EPAD program. The selected entity will be responsible for all aspects of the program including but not limited to:

1. Marketing and outreach to property owners
2. Marketing and outreach to contractors
3. Facilitating the application process
4. Establishing relationships with qualified EPAD lenders
5. Facilitating the financial closing process
6. Energy project management (installation, progress payments, contractor management)
7. Quality assurance and installation verification
8. Commissioning (as needed)
9. Placing assessments on the tax record
10. Collecting the assessments
11. Remitting the collected assessment to the lender

In addition to the administration functions of the program, the selected entity will be responsible for assisting the LFUCG in the creation of the state required EPAD Ordinance.

Additional information about the program and the requirements can be found in the attachments “Kentucky EPAD Overview.pdf” and “KY EPAD Handbook 2016-09-01.pdf”

Interested parties are encouraged to partner with other entities if they cannot provide all the services listed above.

1. Overview/background of submitting entity(s), identify lead entity if applicable
2. Narrative outlining relevant experience of the entity
3. A list of key personnel, including experience information for the people who will be operating and managing the program
4. Minimum of three relevant references, including name and contact information
5. Overview of how your entity will manage the program, including timeline for implementation and capacity to perform the work
6. A detailed listing of all fees that will be charged to the LFUCG or program participants

2. Capacity of the entity to perform the work – 15 points
3. Past record and performance on contracts with the Urban County Government or other governmental agencies and private industry with respect to such factors as control of cost, quality of work and ability to meet schedules – 15 points
4. Familiarity with the details of the project – 20 points
5. Degree of local employment – 5 points
6. Estimated cost of services – 20 points

The highest scoring entities may be asked to attend an interview/presentation meeting before a final selection will be made.
