

RESOLUTION NO. 610 -2014

A RESOLUTION DIRECTING THAT AGAPE DRIVE BE PERMANENTLY BARRICADED AT ITS NORTHERN TERMINUS POINT.

---

WHEREAS, in order to protect the character of Agape Drive it is necessary that Agape Drive be barricaded at its northern terminus point (meaning the northern point just past LaCross Court at the current stub street point of Agape Drive) ; and

WHEREAS, permitting Agape Drive, a small residential street with on-street parking, to be converted into a connector would cause traffic congestion and endanger the safety and welfare of the residents of Agape Drive; and

WHEREAS, the portion of Agape Drive that would be extended is currently too narrow to be considered a major thoroughfare and barricading Agape Drive at its northern terminus point will not affect the adequacy of the ingress and egress points for the residents of this portion of the street; and

WHEREAS, historically, traffic flow on Agape Drive has not been a problem and sufficient evidence has not been presented to demonstrate that granting the barricade requests will create a traffic flow problem in the area.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT:

Section 1 – That the Council agrees to waive the procedure for action on requests to dead end a public street, provided in Resolution No. 339-81.

Section 2- That the Division of Streets and Roads take whatever action is necessary to erect a permanent barricade at the northern terminus point of Agape Drive (meaning the northern point just past LaCross Court at the current stub street point of Agape Drive), and to rename any Agape Drive street remnants created by this barricade .

Section 3 - That this Resolution shall become effective on the date of its passage.
