Dear Ms. Granville:

The Kentucky State e-Clearinghouse is the official designated Single Point of Contact (SPOC) for the Commonwealth pursuant to Presidential Executive Order 12372 and supported by Kentucky Statutes KRS 45.031. The primary function of the SPOC is to streamline the review process for the applicant and the funding agency. This process helps in vocalizing the statutory and regulatory requirements. Information in the form of comments, if any, will be attached to this correspondence.

This proposal has been reviewed by the appropriate state agencies in the e-Clearinghouse for conflicts with state or local plans, goals, and objectives. After receiving this letter, you should make it available to the funding agency and continue with their application process. This e-Clearinghouse SPOC letter signifies only that the project has followed the state reviewing requirements and is neither a commitment of funds from this agency, nor of any other state or federal agency. Please remember if any federal reviews are required, the applicant must follow through with those federal agencies.

The results of this review are valid for **one year** from the date of this letter. If the project is not submitted to the funding agency or not approved within one year after the completion of this review, the applicant can request an extension through the **information request function** in e-Clearinghouse. If the project changes in any way after the review, the applicant must reapply through the e-Clearinghouse for a new review. There are no exceptions.

If you have any questions regarding this letter or the review process, please contact the e-Clearinghouse office at dlg.ech@ky.gov or 502-573-2382.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cindy Seip".
