SUBJECT: KYTC Agreement for Construction of Man O' War Boulevard & Pink Pigeon Parkway Intersection Project

Request:

Request Council authorization to execute Agreement with the Kentucky Transportation Cabinet, accepting federal funds in the amount of \$399,608 in federal funds for the construction of Man O' War Boulevard & Pink Pigeon Parkway Intersection Project.

Purpose of Request:

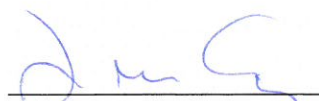

On April 24, 2014 (Resolution 193-2014), Council approved acceptance of federal funds for the design phase of Man O' War Boulevard & Pink Pigeon Parkway Intersection Project. Design has been completed and the Kentucky Transportation Cabinet has offered LFUCG federal funding in the amount of \$399,608 for the construction phase. Improvements include modification of the center medians of Man O' War Boulevard and Pink Pigeon Parkway as well as a second left turn lane for northbound traffic onto Pink Pigeon Parkway. The goal of the project is to increase safety and reduce congestion by providing additional capacity for various turning movements, mitigating backup impacts to through traffic.

Cost in this Budget year and future budget years: Total funding in the amount of \$499,510 for construction phase (\$399,608 in federal funds and \$99,902 in local match). Local match will come from the Municipal Aid Program (1136-303202-3225-78201). No additional costs in future years are anticipated.

Are the funds budgeted? Budget Amendment 7606 is in process.
