## EQUAL OPPORTUNITY AGREEMENT

### The Law

Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.

Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.

Section 503 of the Rehabilitation Act of 1973 states:

*The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*

Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.

Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Bid #14-2016 Office Supplies

---

**The Lexington-Fayette Urban County Government is accepting bids for the purpose of establishing a price contract for Office Supplies, for various locations across the LFUCG, as per the following specifications:**

- A. The Office Supplies Price Contract will be awarded either by section or as a whole, in the best interests of LFUCG.
- B. This bid will be evaluated and awarded based on best value criteria, which shall be comprised of 80% cost, 10% best delivery date, and 10% prior performance history by vendor.
- C. The evaluation of cost will be based on the low overall total for the items in the LFUCG Core List, **Pricing Section I**. Green items will be selected over non-green items by determining whether their cost is a reasonably acceptable percentage over the original, non-green item's cost. LFUCG will make the decision as to the definition of reasonably acceptable percentage. Chosen green items will then be evaluated on the lowest green price for that particular green item.

**Section II** items may be accepted or rejected as part of this price contract.

- D. This contract shall not prevent the Lexington-Fayette Urban County Government from soliciting additional bids for specific commodities in quantities suitable for warehouse storage (e.g., 100 boxes of envelopes, copier paper, etc), in addition to the core list and the standard catalog discount.
- E. Apparent low Vendor may be asked to produce a sample catalog or test web page portal from the LFUCG Core List of either the entire Core List or a list of their apparent low items.
- F. Vendor agrees to produce a website/portal for the LFUCG Core List awarded for distribution to Urban County Purchasing Requesters.
- G. The prices bid on the items in the LFUCG Core List shall be the prices in the Lexington-Fayette Urban County Government website portal and catalog, and no discounts will be given on these items. **The prices that are bid are the purchased prices.**
- H. For Section I, Vendor may submit "**AN EQUAL**" product as long as the product is equivalent in quality to the brand listed, and noted as such.

For Section I, Vendors are to submit unit pricing on all items listed. This can be proposed product items or a combination of proposed and alternate product items. The percentage discounts submitted on each item shall remain firm for the initial one year contract period and any option periods exercised by the LFUCG.

However, in addition to providing pricing on the specified or equal item in Section I, Vendor should, if available, also provide a **green or recycled alternative** to the specified LFUCG Core List items, listing a part number of the green item, a short description, and the pricing of said item.

**NOTE:** Vendors completing Section I are to submit one (1) price only on each non-green item. Vendor submitting multiple pricing on the same non-green item (proposal and alternate product) will be considered non-responsive.

Vendors submitting alternative product items should select such items with care. In the event LFUCG determines during the contract period that the alternate items are not equal to the proposal items, this non-compliance will be considered grounds for LFUCG to terminate the contract

- I. Vendor must receive actual purchasing document before delivery on all orders, unless order is paid with by ProCard at the time of the order placement. Vendor shall show Lexington-Fayette Urban County Government Purchase Order numbers on all invoices. Invoices received without reference to a LFUCG Purchase Order will be returned to vendor. Vendor shall submit one (1) invoice to the Lexington-Fayette Urban County Government's Division of Accounting upon delivery of **ALL** items on each purchasing document.

Vendor must indicate whether they will accept payment by ProCard, either on individual orders or by payment on statement.

- J. Vendor shall show pricing on all delivery packing slips.
- K. Prices shall be **FIRM** for one (1) year. If renewed, price increases or decreases shall be considered by the Lexington-Fayette Urban County Government, at which time, if accepted, Vendor must provide (30) days notice prior to the new prices taking effect, and website portal must be updated by the effective date.
- L. The ordering divisions shall have five (5) working days following receipt of order to notify the Vendor of order discrepancies (wrong item, shortage, overage, etc). The Vendor shall correct the discrepancy no later than the next scheduled delivery to the ordering department and at no additional cost to LFUCG.
- M. Vendor shall submit delivery schedule along with bid, if schedule is different than every business day. Delivery times shall be a criteria in evaluation of bid.
- N. Vendor shall submit with bid any requirements as to minimum order requirements. Minimum order requirements may be a criteria in evaluation of bid.
- O. Vendor shall submit with bid options and/or procedures for buying on contract through Purchase Orders, Online with ProCard orders, and in-store purchases.
- P. Successful Vendor shall supply a monthly usage report to the Lexington-Fayette Urban County Government as well as a year-end report. This report shall include detailed information on the Monthly totals and Year-to-date totals in quantities and total dollars spent for:
  - 1) LFUCG's Core List purchases
  - 2) Purchases from Vendor not in LFUCG Core List; percentage off catalog purchases
  - 3) Items that at the time of purchase were backordered and/or replaced by alternate items
  - 4) Number of order and the total dollar figure of orders paid by ProCard
  - 5) Dollar figure of LFUCG spend from Tier II DBE suppliers

The Monthly Report must be submitted by the Vendor to LFUCG by the 10<sup>th</sup> of each month, or within one week of a requested report from the Vendor by LFUCG. Failure to meet this deadline will be considered grounds for LFUCG to terminate the contract.

- Q. To assist the Vendors in pricing, the Lexington-Fayette Urban County Government purchasing history on the current contract, from January 1, 2012 through September 9, 2013 includes:

	TOTAL SPEND 2014	TOTAL SPEND 2015	TOTAL SPEND
TOTAL SPEND	TBD	TBD	TBD

This information in no way guarantees that the Lexington-Fayette Urban County Government will purchase this amount from this price contract. Also, the quantities listed in Section I are provided as a guideline for bidding purposes only, LFUCG in no way guarantees these quantities.

The LFUCG reserves the right to award this bid by line item, section, or as a whole, and in the best interests of LFUCG.

- R. Section I is to be submitted in an MS Excel format (you may download the spreadsheet provided) and said spreadsheet shall be submitted on a digital format (CD or memory stick) that can be used by the LFUCG for evaluation purposes. **Vendors that do not submit the aforementioned information in digital format shall be deemed as non-responsive.**
- S. Questions may be directed to Conni Hayes, Buyer, Lexington-Fayette Urban County Government, Division of Central Purchasing, (606) 258-3320 or at [chayes@lexingtonky.gov](mailto:chayes@lexingtonky.gov).
