RE: Request for DeRoode St right-of-way closure

This memorandum is to request Urban County Council authorization for the closure of LFUCG right-of-way along a portion of DeRoode St to facilitate the mitigation effort associated with the Newtown Pike Extension project. The streets to be closed are a portion of Deroode Street and Neville Street as shown on the attached Exhibit (*Exhibit of Existing LFUCG Right of Way to Close – Mach 6, 2014*). LFUCG Division Directors and utility company representatives have consented to this request. The Commonwealth of Kentucky and LFUCG will accept full responsibility of the right-of-way and redevelopment. Should you have any questions, please feel free to contact me at 258-3410.
