The election of option 1 or 2 should be made consistent with the relative cost incurred and in the case of option 2 the cost shall be competitive among local trust departments.

C. Investment Policies - - Safety and Prudence.

(1) Short-term liquidity funds shall be invested in "riskless" investment, i.e., deposits in Kentucky commercial banks or savings and loan associations that are fully federally insured or deposits collateralized by U.S. Treasury securities with a current market value of at least one hundred percent (100%), or in direct obligations of U.S. Treasury securities.

Laws and Regulations

All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers'

representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

5.1 Program Proposal & Design

5.1.1 Needs Statement—Purpose of the Program Proposal / Problem Statement

15 Points

Using local data, provide a description of the problem in Fayette County. Identify the specific population your program is targeting (i.e. age, geographical region, economic status, etc.) and explain why. Discuss whether this population is under-served or at-risk. Describe your understanding of the local system of services addressing this problem, obstacles and/or opportunities your clients face, and how your agency fits within this system of services.

In Fayette County, vulnerable populations face steep barriers to sustainable employment, notably among those re-entering society from incarceration, recovering from substance use disorders (SUD), and the unhoused. This demographic, eager for a fresh start, encounters an employment landscape that often places them at a disadvantage. The local workforce's demand for highly educated and skilled individuals leaves those with employment gaps, criminal records, or limited education struggling to find opportunities that offer more than just a paycheck—opportunities that provide dignity and a pathway out of cycles of poverty.

Jubilee Jobs recognizes the critical need for targeted support for these individuals. These disadvantaged job-seekers frequently lack access to essential resources such as transportation, work-appropriate attire, reliable childcare, or funds for work-ready documents or criminal record expungement. These challenges are further exacerbated for justice-involved individuals, where a criminal record acts as a formidable employment barrier, thereby increasing the risk of recidivism or relapse into substance abuse.

Our understanding of the local service landscape reveals a fragmented system where services exist in silos, making it difficult for our clients to navigate and access the support they need efficiently. Our approach is to bridge the service gap with our Resource Connection Program, offering holistic support that goes beyond job placement to tackle the myriad barriers hindering stable, dignifying employment. By providing personalized advocacy and training, along with critical resources like transportation assistance, work attire, employment certifications and limited housing support, Jubilee Jobs is dedicated to empowering these individuals towards long-term economic stability and successful community reintegration.

5.1.2 Service Delivery Model

15 Points

What steps will you take or what activities will you provide to assist clients in achieving these goals? Describe each “unit of service” you will provide for clients and how often and how long this service will be provided (e.g. a one-time three-hour training; a weekly one-hour support group for 12 weeks; one 30-minute health exam twice a year; 1-3 hour advocacy services as needed; etc.) How will these services address the problem as identified in the Needs Statement above? Be specific.

Jubilee Jobs' Resource Connection Program (RCP) will deploy a multi-faceted approach to assist clients in overcoming employment barriers:

1. Initial Assessment and Goal Setting (One-time, 1-hour session): Each client undergoes a needs assessment to identify and triage their needs, barriers to employment, and career aspirations. This session helps to personalize the support each client receives and sets the foundation for their path to employment.
2. Resource Connection Sessions (1-hour sessions as needed): Clients meet with their resource counselor to identify and connect with services addressing their specific barriers, such as transportation assistance, legal aid for criminal record expungement, childcare assistance, mental health services, SUD treatment resources, technical skills development, ESL courses, and housing support. Support will be provided internally or through a warm handoff to community partner agencies. These sessions are ongoing, based on individual needs.
3. Job Readiness & Soft Skills Development Workshops (2-hour group sessions): These workshops cover resume writing, interview preparation, job search strategies, communication, teamwork, and problem-solving. They are designed to equip clients with the necessary tools and confidence to navigate the job market successfully.
4. Career Exploration and Pathway Assistance (3-hour sessions as needed): RCP incorporates career exploration and pathway assistance. This service focuses on identifying individual career interests and connecting clients with opportunities for training, certification, and upskilling, such as courses to become a CNA, peer support specialist or skilled trade laborer.
5. Ongoing Support and Advocacy (As needed): Continuous access to advocacy and support services, including client resourcing to promote job retention and successful re-entry, will be provided to clients for up to one-year.

5.1.3 Client Eligibility and Requirements

5 Points

What eligibility requirements must clients meet to qualify for services? What are the expectations of clients while receiving services? (e.g. client must pay \$30 fee for each class; client must remain sober; client is responsible for chores; nothing other than participation in services; etc.)

Eligibility for Jubilee Jobs' Resource Connection Program requires individuals to be 18 years or older, unemployed or underemployed, and residing in Fayette County or the surrounding areas. Clients must actively seek employment and show commitment to the program's requirements, including participation in workshops and training sessions. Expectations include active engagement in all program activities, maintaining communication with program staff, and fulfilling action items like job applications or training enrollments. There are no fees for participation, ensuring accessible support for achieving economic stability through employment without financial barriers to entry.

5.1.4 Evidence-Based/Best Practice

10 Points

Describe the evidence-based or promising practice model on which this service approach is based. Provide particular sources that indicate what you are doing is best-practice.

JJ's RCP is grounded in evidence-based and promising practices that have been shown to support successful employment outcomes for disadvantaged populations. Our model integrates components of the Individual Placement and Support (IPS) approach, which is widely recognized for its effectiveness in helping individuals with significant barriers to employment, such as mental health challenges or criminal backgrounds, secure and maintain employment. Research has demonstrated that the IPS model, with its focus on rapid job search and placement combined with personalized support, leads to higher employment rates compared to traditional vocational rehabilitation programs (Drake, Bond, & Becker, 2012).

Additionally, our program incorporates elements of cognitive-behavioral training, which has been shown to improve employment outcomes by addressing the psychological barriers to employment, such as low self-esteem and ineffective coping strategies (Maggin & Zurick, 2017).

We also draw on the promising practice of holistic support services, recognizing that stable employment often requires addressing ancillary needs such as housing, transportation, and legal assistance. Studies have highlighted the effectiveness of such comprehensive support models in enhancing the employability and job stability of individuals facing complex barriers (Holzer, Schanzenbach, Duncan, & Ludwig, 2008).

By combining these evidence-based and promising practices, Jubilee Jobs ensures a robust, multifaceted approach to employment support.

Drake, D. E., Bond, G. R., & Becker, D. R. (2012). IPS-Supported Employment: A Practical Guide. Dartmouth College.

5.2 Program Measures & Evaluation

5.2.1 Service Efficacy & Desired Outcomes

10 Points

What do you hope to help your clients achieve? What are some examples of goals you will set with clients? What is your service philosophy in terms of helping your clients achieve these goals? Describe how you define "successful" completion of services. (e.g. service is complete if: client remains for entire three-hour training; client continues services until judge orders otherwise; etc.) What percentage of clients meet that criteria for success?

Desired Outcomes and Goals:

1. Secure Stable Employment: Assist clients in obtaining employment that offers livable wages and the potential for growth.
2. Reduce Recidivism and Substance Abuse Relapse: A study by the United States Sentencing Commission found that employment within one year of release can reduce recidivism rates by 40% for returning citizens, emphasizing the pivotal role of employment opportunities in preventing re-offense. RCP aims at preventing individuals from going back to jail or substance abuse by eliminating barriers to dignifying work.
3. Increase Financial Stability: Support clients in achieving greater financial independence and self-sufficiency, promoting social and economic stability.

Defining Successful Completion: A client is considered to have successfully completed our services when they:

- Secure stable employment -or-
- Access and utilize resources to improve their financial, social, or personal wellness, such as enrollment into a SUD treatment program, up-skilling program (such as GED classes, or trade school) or completion of ESL courses or financial literacy classes -or-
- Complete any targeted training or certification programs initiated through our services.

While individual goals may vary, our overarching aim is that at least 70% of our clients meet their defined criteria for success within a year of entering our program.

Service Philosophy:

5.2.2 Client Empowerment & Community Impact

10 Points

Describe what meaningful difference these services make in the lives of people served. What value is added to the community? Provide examples. (e.g. client demonstrates change in attitude; client has behavior change; etc.)

JJ's RCP dramatically transforms the lives of those it serves by equipping disadvantaged job seekers with the means to overcome employment barriers, essentially allowing them to begin their job search journey from the same starting line as other candidates. This equal footing is crucial for instilling confidence and hope, fostering a sense of belonging and potential. Clients exhibit significant positive changes, such as improved self-confidence, financial independence, and enhanced well-being. The ripple effect of these individual successes contributes to the community by reducing dependency on social services, stimulating local economies through increased consumer spending and payroll withholdings, and promoting a culture of resilience and mutual support.

Implementing such programs can significantly reduce recidivism and substance abuse among disadvantaged job seekers. Employment within a year of release is shown to cut recidivism rates by 40%, as stable jobs provide not only financial stability but also a sense of purpose and community, which are key factors in preventing relapse and re-offending. Providing post-release employment support is crucial for reducing recidivism and substance abuse relapse. By helping former inmates and those in recovery from SUD secure stable employment, these initiatives not only facilitate reintegration into society but also contribute to the overall safety and economic health of communities. Employment serves as a foundational element for a successful transition, and in order to secure dignifying work, it is vital to have the wraparound supports like those provided through the Resource Connection Program.

5.2.3 Data Assessment & Quality Improvement

10 Points

While it doesn't have to be complicated, evaluation is more than saying "we provided this many 'units of service.'" How will you know if your services have been effective? How does this relate to the desired outcomes for your clients? How will the information gathered be used to improve your services in the future? Be specific (for example, data collection may be through focus groups, pre-and post-tests, client satisfaction surveys, etc.), and also **be specific regarding sampling size and frequency of evaluation.**

To ensure our Resource Connection Program effectively meets client needs and drives positive outcomes, we employ a comprehensive evaluation strategy. This involves tracking crucial metrics such as job placement success, resource linkage, financial aid distribution, and enrollment in training or certification programs. Our assessment framework includes randomized client satisfaction surveys (no fewer than ten mailed surveys per month) and annual stakeholder focus groups to gather in-depth feedback and identify areas for improvement. Additionally, we run a pilot program with 12 clients representing a cross-section of our client base in terms of socio-economic background, race, gender, English language proficiency, and criminal justice involvement. This pilot allows for close monitoring of individual progress through no less than monthly meetings, providing valuable insights that inform and refine our broader programming. This multi-faceted approach ensures that we not only measure the quantitative success of our services but also qualitatively understand our clients' experiences and needs, enabling continuous program enhancement for future service delivery.

5.3 Capacity & Sustainability

5.3.1 Staff Qualifications & Experience

5 Points

Provide information on the key/primary individuals that will be involved in the provision of services and demonstrate that they have the capacity to address the stated need. List each position by title and name of employee, if available. Describe the anticipated roles and responsibilities for each person as it relates to this project. Describe the experience, expertise, and capacity of each individual to address the proposed activities.

The Resource Connection Program will be spearheaded by a seasoned Resource Counselor, who brings a wealth of experience spanning two decades in the human services sector. This includes a significant tenure as a counselor with the Strategic Initiative for Transformational Employment (SITE), a program dedicated to integrating individuals recovering from substance use disorders back into the workforce by providing comprehensive career and employment services across Kentucky's 120 counties. Her role in SITE, supported by SAMHSA grants and the Office of Drug Control Policy, showcases her capability in navigating the complexities of recovery and employment, making her an invaluable asset to our program.

Additionally, her instrumental contributions to Transform Scott County, particularly through the Circles initiative, underscore her commitment to community engagement and her innovative approach to resource distribution and mentorship. Circles focus on fostering long-term support and financial stability through partnerships with local churches, showcasing her adeptness at creating and maintaining supportive networks for those in need.

Her extensive background in both recovery support and community resource facilitation positions her uniquely to lead the Resource Connection Program. Her expertise not only in addressing the immediate needs of individuals seeking employment but also in laying the groundwork for sustained recovery and community integration will drive the success of our program. Her ability to bridge the gap between recovery and employment through strategic partnerships and personalized support plans will ensure our clients receive the comprehensive support they need to thrive.

5.3.2 Partnership & Resource Leverage

5 Points

How do your programs and services support our community's comprehensive response to the identified priority area of Community Wellness & Safety? Does your organization have any formal agreements or informal working relationship with other local service programs?

What role does your governing board members, volunteers, and / or donors play in facilitating viable service delivery and program administration? Does your program have any major civic benefactors or corporate sponsors? Describe other secured funding sources and committed operational resources your organization has allocated for the proposed program.

The Resource Connection Program (RCP) enhances Community Wellness & Safety through strategic collaborations with key community organizations like the Fayette County Detention Center, Hope Center, The Nest, Lexington Rescue Mission, among others. These partnerships, both formal and informal, allow us to directly address the challenge of recidivism and substance abuse relapse by facilitating access to quality jobs. The direct link between employment and an individual's likelihood of re-offending cannot be ignored. Furthermore, the RCPs evidence-based approach to addressing employment barriers for those with complicated challenges, ensures that even the most vulnerable have strong footing for job attainment and retention. This effort directly correlates to not only wellness for vulnerable Lexingtonians, but greater community safety and wellness.

Our governing board, volunteers, and donors are integral in ensuring effective service delivery and program administration. The program is supported by civic benefactors, corporate sponsors, and other funding sources, underscoring our commitment to providing comprehensive support for our clients' reintegration into the community, thereby contributing to public safety and overall community wellness.

5.3.3 Outreach & Inclusion Strategy

15 Points

Demonstrate how the program will ensure services are available and accessible by all potential participants, especially related to language barriers for persons with limited English proficiency, including a language access plan; persons with physical or other disabilities; and persons impacted by poverty and economic distress.

Has your organization enacted any policies (or employs any standard operating procedures) to ensure equitable service opportunity and / or benefit program to a diverse cross-section of the greater community? How does your proposal support or enhance the recommendations made by the Mayor's Commission on Racial Justice & Equality?

The Resource Connection Program is dedicated to inclusivity, recognizing the disproportionate impact of poverty and incarceration on communities of color. Per the Human Rights Commission, in Kentucky, the number of African Americans with income below the poverty level is 30% while the number of Whites with income below the poverty level is 15%. Moreover, the state's criminal justice system reflects stark racial disparities, with Black and Brown Americans being overrepresented in incarceration rates. According to the Prison Policy Initiative, African Americans are incarcerated at a rate 2.9 times higher than Caucasians in Kentucky. To address these systemic inequalities, our program implements tailored outreach and inclusion strategies.

Furthermore, to ensure equality of access, Jubilee Jobs prioritizes language access, ensuring that individuals with limited English proficiency can fully engage with our services. Partnered with Access Language Solutions, our program guarantees every prospective client the use of translation and interpretation services. Furthermore, RCP will offer our non-English speaking clients 8-hours of interpretation services for their first day of employment should an employer need such services in order to hire a non-English speaking client.

Aligned with the Mayor's Commission on Racial Justice & Equality, we actively support initiatives to dismantle racial disparities and promote equitable opportunities. By providing comprehensive resources and support networks, we aim to empower individuals of all backgrounds to achieve stability and success. Through these efforts, we contribute to the broader goal of fostering a more inclusive and just society, where everyone has access to the support they need to thrive.

Funding Priority Area: Community Wellness & Safety

Projected funding is \$950,000 of ESR Grant Program – Community Based Initiatives

LFUCG seeks to strengthen and enhance Community Wellness and Safety, by supporting programs and services addressing **Substance Use Disorder and Community Violence Prevention**. LFUCG intends to award grants for priority-rated programs and services based on documentation of marginalized client populations and articulated individual and community outcomes. The program should utilize best practices and evidence-based models when engaging, assessing, intervening, and terminating services with underserved population groups.

- **Substance Use Disorder**, which includes prevention of alcohol and drug abuse; prevention and treatment of addictive disorders through programs and services for individuals who suffer from these disorders; and harm reduction.
- **Community Violence Prevention**, which includes **Youth Violence Intervention**, including Gang & Gun Violence, Child Abuse & Neglect Services, Sexual Violence Prevention, Elder Abuse Prevention, Suicide Prevention and Intimate Partner Violence Prevention and Stalking.

The term “client” is used throughout this proposal; however, we understand that within the context of your work “client” may not mean an individual. For some agencies it may be helpful to think of “client” as whole system (such as a school) or as a neighborhood, group, or community.

1.0 GENERAL INFORMATION & SCOPE

1.1 Background

Each fiscal year the Mayor and Urban County Council allocate funds for use by selected 501(c)(3) non-profit partner agencies through the Department of Social Services' Extended Social Resource (ESR) Program.

This grant cycle shall cover Fiscal Years 2025 and 2026 (July 1, 2024 – June 30, 2026), and will award grants between the four Funding Priorities, which each have separate required Proposal Submittals and criteria, and awarded on an approximate scale, listed below.

Funding Priority Area: Community Wellness & Safety

Projected funding is approximately \$950,000 of total ESR Grant Program Community Based Initiatives Award. This amount is subject to change upon Council ratification of the Fiscal Year 2025 Budget.

LFUCG seeks to strengthen and enhance Community Wellness and Safety by supporting programs and services addressing ***Substance Use Disorder and Community Violence Intervention***. LFUCG intends to award grants for priority-rated programs and services based on documentation of marginalized client populations and articulated individual and community outcomes. The program should utilize best practices and evidence-based models when engaging, assessing, intervening, and terminating services with underserved population groups.

2.0 GENERAL PROVISIONS

2.1 Purpose

The LFUCG is accepting applications from qualified non-governmental, non-profit agencies with current **501(c)3** tax exempt status and with a physical business or program site location in Fayette County (hereinafter, referred to as "Applicant") for ESR funding for FY2025 & 2026 (July 1, 2024 – June 30, 2026). This funding is intended to support agency **programs** which respond to the **funding priorities** established herein. **THIS FUNDING IS NOT INTENDED TO SUPPORT GENERAL AGENCY OPERATIONS, other than overhead required to support the subject program.**

2.2 Funding Period

The funding period is from July 1, 2024 through June 30, 2026.

2.3 ESR Grant Informational Workshop

The Department of Social Services conducted a meeting on March 26th, 2024 that provided potential proposers with an overview of the proposal and review process, instructions on completing the RFP, and presentation of funding priorities.

2.4 Proposal Submission

All Submissions must be uploaded to the LFUCG procurement website at <https://lexingtonky.ionwave.net> by **April 25th, 2024 before 2:00 PM EST**. The Submission shall include an enclosed form that shall contain the required documents, and respond to one or more established funding priorities.

Proposal submissions containing significant omissions of required information will be considered non-responsive and removed from the RFP funding process on the application deadline date (April 25th, 2024). Significant missing responses to questions constitute an incomplete application. The final decision regarding application completeness and penalties will be determined by the LFUCG Division of

Procurement in consultation with the Commissioner of Social Services. **All proposals must be written in a clear and concise manner, as there will be no follow-up or clarifications to proposer's Proposal Submittal Form once the evaluation process begins.**

Do not include additional documents or attachments with the Proposal Submittal Form, such as brochures or letters of support. These will be discarded.

If your agency is submitting a proposal for the funding of more than one program in a single priority area, please note that they must be included in a single Proposal Submittal completed and submitted for that priority area RFP. Only one Proposal Submittal per agency per priority area will be accepted. Agencies/Organizations may submit only ONE Proposal Submittal per proposed program in all priority areas.

Submitted Proposal shall be comprised of the attached PDF formatted Proposal Submittal form. This form must be submitted in the original PDF form, and NOT be a scanned version of the original form.

2.5 Acceptance/Rejection of Submissions

The LFUCG reserves the right to reject any proposals which may be considered irregular, show serious omissions, contain unauthorized alteration of the Proposal Submittal form, or are incomplete.

The LFUCG reserves the right to accept or reject any or all applications in whole or in part, with or without cause, to waive technicalities, to implement scoring penalties, or to accept applications or portions thereof which, in the Urban County Government's judgment, best serve the interests of Urban County Government.

In evaluating whether to ultimately award funding to an agency, the Lexington-Fayette Urban County Government may consider how much funding, if any, an agency has previously received from LFUCG during the same funding cycle, and reserves the right to not fund, or to reduce the amount of funding that an agency might otherwise receive, based upon such an evaluation.

All proposals must be written in a clear and concise manner, as there will be no follow-up or clarifications to proposer's Proposal Submittal Form once the evaluation process begins.
