Dear Dr. Humbaugh:

Enclosed are two copies of the Fayette County Public Health Taxing District Resolutions for 2019, which were proposed during the July 8, 2019 meeting. The Fayette County Public Health Taxing District approved the tax rate in accordance with provisions of KRS 212.720 -212.755. The Division of Administration and Financial Management acknowledges that the tax rate meets or exceeds the minimum required contribution rate set by the Commissioner of Public Health.

You must submit a copy of the enclosed request to your Fiscal Court so the Fiscal Court may, by resolution; impose the special ad valorem public health tax.

After the Fiscal Court has approved the tax rate by entry of an order on the Fiscal Court Order Book, obtain two attested copies of the order and attach one copy to the Board's tax request as a permanent record and send the other copy to the following:
