

## **SRA 2019-2: Proposed Language**

### **Article 1**

**STUB STREET SIGN** - a sign at the terminus of each stub street, which shall identify the street as a planned future connection. The size and format for the sign shall be as specified by the Division of Traffic Engineering.

### **Article 6-8(k)**

**6-8(k) STREET NAME / STUB STREET SIGNAGE** - Street name signs, stub street signs, and all other required traffic control signage shall be provided, installed and maintained by the developer, as required by the Division of Traffic Engineering prior to plat recordings. Signage shall be in compliance with all requirements of the Manual On Uniform Traffic Control Devices (MUTCD) and LFUCG Traffic Engineering guidelines. All signage shall be maintained in a proper fashion by the developer until the final asphalt surface has been applied and written notification of pavement installation is given to the Urban County Traffic Engineer.
