

**TO: JIM GRAY, MAYOR
URBAN COUNTY COUNCIL**

**FROM: CHARLIE LANTER, DIRECTOR
DIVISION OF GRANTS AND SPECIAL PROGRAMS**

DATE: NOVEMBER 26, 2018

SUBJECT: Sole Source Provider Contractor with Everbridge, Inc.

Request: Council authorization to establish Everbridge, Inc. as a sole source provider for the alert notification system for Emergency Management and authorizing the Mayor to execute any necessary agreements with Everbridge, Inc. related to the procurement of these goods and services, at a cost not to exceed \$73,548.30.

Why are you requesting? On February 20, 2014 (Resolution 61-2014) Council authorized executing an agreement with Everbridge, Inc. (RFP #12-2013) for an Alert and Notification System for Emergency Management. The contract has been renewed once since 2014. The Division of Emergency Management is requesting to establish Everbridge, Inc. as a sole source provider. The Everbridge system has three primary functions: alert and notification to the public of emergency information through phone, text, and email; internal notification of incidents to employees; and integrates the Alert and Notification system into one interface. Everbridge interfaces with the sirens, AM radio, Integrated Public Alert and Warning System (IPAWS) and the website.

The source of federal funds is a combination of a variety of sources that include the Department of Homeland Security/Federal Emergency Management Agency, E911 and FY19 general fund. An Alert and Notification System for first responders and citizens across multiple communication devices is an approved activity of these funds.

What is the Cost in this budget year and future budget years? Estimated cost is \$73,548.30. No additional costs are anticipated.

Are the funds budgeted? Funds are budgeted as follows:
