Dear Ms. Allen and the Lexington Fayette Urban County Government:

Lexington Hearing & Speech Center is honored to have the support of the Lexington Fayette Urban County Government. Your support of \$1,850 in support of our mission helps children and adults not only from Lexington, but across the Commonwealth!

Lexington Hearing & Speech Center works hard to ensure *every* student or client receives the services needed to optimize their individual language, hearing and speech skills to be able to function as active participants in the community. It is with your support to the LHSC mission that we are able to continue providing our services each and every day and why children and adults will have the *sound beginnings* to reach their dreams. LHSC is providing educational, speech/language and audiology services to over 1,200 families a year from 69 Kentucky counties. None more than Fayette County where we serve over 500 Fayette County residents each year with communication delays. **We would be honored to host representatives from the LFUCG anytime to show you how your support directly impacts our mission.**

In our 57th year, Lexington Hearing & Speech Center will continue our commitment to children and adults with hearing loss and speech/language delays. A commitment to provide children with hearing loss and speech/language delays a foundation for future learning and a commitment to provide a better quality of life to adults with hearing loss. We continue our mission to ensure that no one is defined by their communication delay. **We are able to continue this mission because of your support.**

With sincere appreciation,

Marcey Ansley
