Subject: Amendment to Section 2-465 of the Code of Ordinances

The Corridors Commission is requesting to amend Section 2-465 of the Code of Ordinances to add viewsheds as a purpose. A viewshed is the geographical area that is visible from a location.

Section 2-465 shall read as follows:

A commission is hereby created which shall be known as the "Corridors Commission". It shall be the purpose of the Corridors Commission to assess the major roads of Lexington-Fayette County, especially the major and minor arterials, regarding but not limited to aesthetic qualities, viewsheds, landscaping, fencing, signage, litter control, bike and pedestrian considerations and other elements the Commission may deem appropriate.
