#### CONDITIONS OF AWARD

The Award conditions of this subaward are material requirements of the subaward. Compliance with any certified assurance submitted by the subrecipient that relates to conduct during the period of performance also is a material requirement of this subaward.

Failure to comply with any one or more of these subaward requirements (Award conditions) -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the subaward period -- may result in the Grants Management Division ("GMD") and/or Office of Justice Programs ("OJP") taking appropriate action with respect to the subrecipient and the subaward. Among other things, the GMD or OJP may withhold award funds, disallow costs, or suspend or terminate the subaward. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government or the GMD related to this subaward (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10272), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this subaward be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give the maximum effect permitted by law.

Award Binder Page DTF

Should it be held, instead, that the provision is invalid or unenforceable; such provision shall be deemed severable from this subaward.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP and all subawards.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website: <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: The duration records pertinent to the subaward which the subrecipient at any tier must retain is 6 ½ years from the date of submission of the subrecipient's final expenditure report. During such time, the subrecipient must provide access, including performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event a subaward-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact GMD promptly for clarification.

3. Compliance with the DOJ Grants Financial Guide

The subrecipient at any tier agrees to comply with the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at (<https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance, and all financial and administrative guidance provided by GMD during the period of performance.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in these Award conditions to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in the subaward Award conditions, references set out in material incorporated by reference through the subaward Award conditions, and references set out in other subaward requirements and documents.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "No use of funds to interfere...information-communication restrictions; ongoing compliance" award condition.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in paragraph 1.A of this condition, is in compliance with the award condition entitled "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in paragraph 1.A of this condition, may be subject to any information-communication restriction. (3) the term "law-enforcement-sensitive information" means records or information compiled for any law enforcement purpose; and

(4) the term "public disclosure" means any communication or release other than one-- (a) within the recipient, or (b) to any subrecipient (at any tier) that is a government entity.

(4) the term "public disclosure" means any communication or release other than one-- (a) within the recipient, or (b) to any subrecipient (at any tier) that is a government entity.

B. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance" award condition are incorporated by reference as though set forth here in full.

34. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual report to Congress on "the number of illegal alien[ felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, -agency, or -official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice .

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program , award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

B. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

Award Binder Page DTF

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

C. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.
